

## On This Side Of The Sun

By Phat

**THE VILLAGE**—At the Plaza this week they showed "To Have and Have Not" and strolling down Palm Canyon drive at the same time was Lauren Bacall who did such a good job in the film. . . . **Marine Lieutenant Tyrone Power** also beat the drive sidewalks during the week. . . . Al Pearce was among the 'name' guests at the Del Tahquitz. . . . Then of course, there was Jinx Falkenburg, recently given a big play in Life, here again to aid in a bit of Village publicity. . . . And that truthful guy, Frank Morgan of the films and radio—he had 'em gaping at the Chi Chi.

**MORE VILLAGE**—The burros of Bob Bennet's train had their ears sticking straight up this week, listening for tips for the FBI. One of the passengers was Rudolph Anders, who plays mean Nazi parts in the fillums. The burros figured he might be a spy. Joseph Schildkraut, noted movie figure, rode with him—on another burro, of course. . . . **City council** in solemn session Wednesday, concurred in a decision that, except for an emergency, one bathroom was enough for a single family dwelling. . . . Down at Mills store the other week, Frank Sinatra bought a package of nuts and a bar of candy, total 86 cents. He tendered a \$50 bill. Mrs. R. R. Dunlap had the change.

**THIS AND THAT**—Captain J. D. Blaufeld of Torney General Hospital says that, according to recent check-ups, Torney has the best bond-buying record, due to payroll deductions, of any post in the Ninth Service Command area, and that takes in eight big states. . . . And if you can't get Nylons, lady, be happy anyway. The army is now using Nylon to make skin-tight gloves for occupational army experts whose skilled hands must be exposed to bitter weather. . . . Mrs. G. congratulated me this week for my remarkable self control in this Elliott Roosevelt dog Blaze incident. In truth, I was just thinking of postal regulations. I'd hate to have The Sun barred from the mails. But I bet Falla is sore. Imagine Blaze stealing his stuff!

**APPRECIATIVE**—Villagers got a real insight of things on the front this week with four boys who have been there, telling them about it. CWO Henry Mueda's comments on the reaction of boys at the front, to letters from home was illuminating. He certainly had a word for those who write griping letters about conditions at home to boys at the front. When a kid is about to risk his life for the home folks, it doesn't do his morale much good to get a letter complaining about blue points, red points and the lack of gasoline to go to a night club. . . . Mueda's tribute to Mrs. Nellie Coffman for her great work for service men was practically a tear-jerker.

**ODDS AND ENDS**—Prize for the most nonchalant answer of the week goes to Lt. D. R. Dawson, veteran of months of air fighting in the Pacific, now an instructor at the local air base. Asked if he was ever in serious trouble, he stroked his chin and thought. Then he said: "Well, I guess so. I was shot down once and it took me three weeks to get back to my base." . . . And Lt. R. E. Davis' description of the situation of the Japs on the by-passed islands was pungent—also soul-satisfying. . . . The remarkable thing about these boys who have been in the thick of things and who are making history, is the extreme simplicity in which they describe thrilling experiences.

**MUSIC**—Palm Springs may be the birthplace of a new Hit Parade winner. Jesse L. Lasky was in town this week and Milton Mack asked him to listen to Mack's western opus, "My Green Heaven". Mack gave the music to Arthur and Dorothy Todd, Chi Chi entertainers, to play and Lasky liked it so well, he grabbed the manuscript from the entertainers and said he would try to get it on the air on a national broadcast by a name band. It's the kind of tune that sets Los Compadres club members singing. . . . Everything was well on the Hit Parade last week. "Don't Fence Me In" was still No. 1, "There Goes That Song Again," No. 2, and Mrs. G. took occasion to say "See, I Told You" when "I'm Making Believe" popped to third place. . . . It's a nice world.

**IN CONCLUSION**—Next Friday is Groundhog Day. In deference to the Chamber of Commerce, will reserve all comments on the weather for another day.

## Village to be Hub of New Stage System

### Rail Board Authorizes Bus Lines

Service to Start Soon North and East of Village

Cecil Isenagie, local manager for Tanner Motor Tours, Ltd., was preparing to inaugurate daily, except Sunday, bus service between Palm Springs and Desert Hot Springs and between Palm Springs and Cathedral City, following receipt of word Monday that the state railroad commission had granted him authority for the service.

One 7-passenger and one 12-passenger bus will be used with four station wagons in reserve if needed.

#### SCHEDULES FIXED

The state railroad commission decision, granting the Tanner Motor Tours, Ltd., to operate the two lines, set forth the following schedules for the Desert Hot Springs division:

Leaving Palm Springs (Andreas road and Palm Canyon drive) at 9 a. m. and 3:30 p. m., arriving at Garnet at 9:15 a. m. and 3:45 p. m., at Two Bunch ranch, at 9:23 a. m. and 3:53 p. m., at Desert Hot Springs postoffice at 9:28 a. m. and 3:58 p. m., and at the Desert Hot Springs bath house, the end of the line, at 9:29 a. m. and 3:59 p. m.

#### ROUTE OUTLINED

On the return trip, the stages will leave the Desert Hot Springs bath house at 9:30 a. m. and 4:00 p. m., the Desert Hot Springs postoffice at 9:32 a. m. and 4:02 p. m., Garnet at 9:41 a. m. and 4:11 p. m., and arrive at Andreas road and Palm Canyon drive at 9:58 a. m. and 4:28 p. m.

The route as set out in the commission's report, begins at Andreas road and Palm Canyon drive, runs via state highway 111 to Tahchevah drive, to Indian avenue, to Aqueduct road, Desert Hot Springs road to Desert Hot Springs, a distance of 15 miles. A one-way fare of 40 cents from Palm Springs to Garnet and 75 cents to Desert Hot Springs.

**THREE ROUND TRIPS**  
The Cathedral City schedule calls for three round trips daily over highway 111 and covers approximately eight miles. A 40-cent fare is allotted.

The schedule calls for busses leaving the Tanner Motor Livery office at 8 a. m., 10:30 a. m., and 5 p. m., and arriving at Cathedral City at 8:19 and 10:49 a. m., and 5:19 p. m.

#### MANY AT HEARING

A public hearing on the application of Tanner Motor Tours, presented by Cecil Isenagie, local manager, was held here Dec. 27.

(Please Turn to Page 5)

### Sound Plea To Villagers For New Aid

Mrs. Frank W. Cutler, chairman of the Home Service committee of the Red Cross today sounded an appeal to Villagers for a new and most needed aid.

With many battle casualties now at Torney General Hospital, the flow of visitors to see sons and husbands there, is increasing. There is an imperative need for housing for these relatives of wounded men.

Villagers with rooms to spare are urged to contact the Red Cross and provide accommodations for these people, here to visit their loved ones who have suffered in the fighting overseas.

### Four Villagers Have Cold Time But Kids Happy

All's well that end's well, but, WOW, was it COLD!

Four Villagers last Sunday, decided to take 13 Village youngsters to play in the snow at Idyllwild. None of these youngsters, all California born, had ever experienced play in the snow before and a gay time was had by all, adults and youngsters.

So much fun, in fact, that they did not notice the approach of low, black clouds and a rising wind. But when they did, the blizzard hit. The wind blew, more snow fell to pile on top of the foot already on the ground, and in a twinkling, the party found itself snowbound.

#### MERCURY 'WAY DOWN

It wasn't as bad as it might have been—there were telephone lines still working to inform anxious parents here that the youngsters were safe but wouldn't be home that night.

Also there were cabins available and fuel.

But the latter seemed to do

(Please Turn to Page 5)

### Village Put In Compact Flood Control Zone

Proposal for a county-wide flood control project were abandoned at a meeting in Riverside last Friday, attended by Culver Nichols of this city, and a new smaller flood control plan launched.

Under the new control set-up, Palm Springs will be included in Zone 6 with Cathedral City, Garnet, Desert Hot Springs and Whitewater.

Plans for a 6-zone county-wide flood control district as first proposed and which met objections from many parts of the county, were revised into an 8-zone district and then abandoned altogether last Friday when the flood control committee met at the county seat.

#### VILLAGE OBJECTS

Under the initial 6-zone draft, Palm Springs was included in a large district which extended from Beaumont eastward to Indio. Objection was voiced here to the zone as it was feared that the Village, second in the county in assessed valuation, would be heavily taxed for projects from which it would receive no benefits. The Village attitude was made known at a mass meeting held at city council chambers.

To meet these objections, zone lines were revised and the new zone 6 included Whitewater, Garnet, Desert Hot Springs, Palm Springs and Cathedral City. This set-up eliminated most of the local objections.

#### TWO ZONES DROPPED

But Coachella Valley and the Palo Verde Valley district, planned in new Zones 7 and 8, still protested and at last Friday's meeting it was decided to drop these two zones for the time being.

The remainder of the county lying west from Garnet will be formed into the Riverside County.

#### FOR PALM SPRINGS—

How the Palm Springs

Community Hospital will

look when it is completed.

First units to be built

under the present fund

drive do not include the

upper left wing or all

of the lower right wing.

### Open Office For Hospital Fund Drive

Advance Gifts May Be Left at Bank of New Headquarters

Advance contributions to the fund for the Palm Springs Community Hospital may be left with Fred Ingram at the Bank of America or at the headquarters of the hospital association in the show room at the Desert Inn garage, Ernest Alschuler, publicity chairman for the association, said this week.

Preliminary work on the campaign for \$200,000 to erect a completely equipped and modern hospital for Palm Springs was started this week and the campaign is expected to be in full swing within a week.

#### PLAN MANY EVENTS

Florian Boyd, chairman of the association is planning many events to spur the drive and announcement of these will be made at an early date as all details are ironed out.

Chairman Boyd said today that the three basic needs of any community are "churches, schools and hospital facilities. Palm Springs has done its duty in the first two respects but has fallen down sadly in the last."

He said that civic welfare demands that the best hospital facilities be available at all times to those who need them.

#### CARE FOR ALL

"Not only is it necessary that our permanent residents be taken care of," he said, "but our many winter residents and guests should be offered adequate hospital facilities, also."

"Palm Springs, so richly endowed by nature, must overcome this handicap. Our goal is to raise \$200,000. It will be achieved I am sure if all of the people of our community and our many friends from other states will look upon this campaign for funds to erect the hospital as their personal project."

#### MODERN HOSPITAL

Preliminary plans for the hospital have been approved by the board of directors. They call for a one-story building of modern design. The front wing is divided into two nursing units with a normal capacity of 26 beds. This can be increased to 32 beds in case of an emergency. The main lobby is located between the two nursing units. An all-glass corridor, extending from the lobby, leads to the surgical unit, central sterilizing supply, laboratory, X-ray, operating room, central linens and storage rooms, and emergency entrance. A staff dining room, diet kitchen, main kitchen, and central stores are also incorporated in the plans.

The future growth of Palm Springs may call for an extension of the original plan. With this thought in mind, the architects have included in their blueprints, an extension of the main building at each end of the front

(Please Turn to Page 8)

**HOME AGAIN**—Earl Coffman standing, is pictured with the survivors of Bataan and two years in a Jap prison camp. The group includes, left to right, Capt. Charles A. Steinhauer with his bride of several weeks and Lt. Ralph B. Johnson.

### Escapees from Japanese Prison Camp, Visitors in Village, Tell Experiences

Two officers, captured on Bataan with the surrender of American and Filipino troops on January 9, 1942, and fortunate enough to escape later from a torpedoed Jap prison ship and return to the United States were guests in Palm Springs last week with their wives and still marvelling at being home, safe and free to roam.

They are Captain Charles A. Steinhauer and Lt. Ralph B. Johnson, veterans of the first days of the fighting and of more than two years in a Jap prison camp.

#### IT'S LUXURY

"After two years and a half in a Jap prison camp, we certainly can appreciate all things back here at home," said Capt. Steinhauer. "Most of all, right now I am enjoying the marvelous food and soft beds."

The two officers and their wives, while here, were guests of Earl Coffman of the Desert Inn. Mr. Coffman's son, Lt. Owen B. Coffman, a B-17 pilot, was lost in action over the English channel.

#### CAPTURED AT BATAAN

Captain Steinhauer and Lt. Johnson were stationed at Nichols Field on the day the Japs staged their treacherous attack. Most of the American aircraft were destroyed in that raid and the group of air corps officers there formed an infantry outfit and joined the island fighting with the ground troops.

However, the defense did not last many months, and they were forced to Bataan and later had to join the "death march," as it has become termed by those who had to surrender after a brave

### Polio Drive Under Way In Village

Aid Made Possible By Local Funds Revealed in Letter

With four days to go, Mrs. Charles J. Burket, Palm Springs chairman of the March of Dimes committee, urged every Villager to aid in the battle to combat the dread scourge which in 1944 reached its second highest mark since the disease, infantile paralysis, has been recorded.

No set goal has been established for Palm Springs and Mrs. Burket said that every penny raised to "keep fighting Infantile Paralysis" is needed and every donation will be greatly appreciated.

#### LETTERS GO OUT

This week, Mrs. Burket mailed appeals to Villagers to contribute to the campaign.

The letters pointed out that in 1944, the nation experienced its second greatest poliomyelitis epidemic in the history of the disease.

In the past year in Riverside county, nine patients had surgery and hospital treatment at the expense of the county chapter of the National Foundation for Infantile Paralysis, Mrs. Burket said. One fourteen-year-old girl who had paralysis in both limbs, was sent to the Orthopaedic Hospital two days after her case was reported. She was given the Kenny hot packs for two months and muscle re-education. She was released from the hospital with one leg almost normal and the other one well on the way to recovery. One man who had polio ten years ago and has been confined to a wheelchair since, and supported by the County Welfare had surgery on both feet this year. He now walks well with the aid of two short leg braces and soon will be able to make his own living. The chapter purchased a

Organization of  
DeMolay Chapter  
Nears Completion

Twenty-two applications have been received from Village youths to date for formation of a Palm Springs chapter of the DeMolay, it was announced Tuesday evening at a meeting of the DeMolay committee of Master Masons, at the home of Lloyd Simon.

Three more are to come, making a total of 25, it was reported.

The applicants include the following:  
Harvey Gorcester, F. Gilson Boyd, Jr., George Bell, Jr., Robert Hann, Berry Miller, Donald Williams, John M. Pender, Ralph Woodward, Don DuBose, Kenneth B. Youngs, John Harp, Robert W. Lienau, John Outcault, Eric Lubenow, Morris Sale, Jim Bigley, Edwin Greene, Tom Griffith, Harry Hanbury, Jr., Warner Moore, Arthur Jones, Jr., Edward Wills.

These young men will be initiated at the Masonic Temple in Banning either February 17 or March 3, definite date to be at the option of the Grand Council and will be announced.

The DeMolay Chapter of Southgate, California, will confer the degrees.

Present at the meeting Tuesday night were:

George Bell, Richard Outcault, Charles S. Hill, Bryson Amos, Kenneth L. DuBose, Arthur Greenfield, Walter W. Kofeldt, Chester S. Hooper, Lloyd N. Simon, Charles Raymond, James W. Henderson and John Archibald.

Novel and Film  
About Desert to  
Feature Village

Palm Springs will get into the movies again this year.

Not strictly as it is today—but a vision of what it is today.

Robert E. Callahan, author, who spent several months here last spring writing a story based on this locality, this week said that Monogram had bought the right to the tale which will be published in April.

Callahan spent some time on the desert last year gathering authentic information on early history here and his book is based on the travels of a group of easterners who came to Palm Springs in the middle 80's and found health here, visioning the future desert resort that was to come at this spot.

Don't Lose Your  
Mileage Ration  
Record, Warning

All operators of passenger cars in Riverside with basic "A" rations must have "mileage rationing records" to be eligible to apply for any gasoline rations, William A. Lippman, chairman of the local war price and rationing board pointed out this week.

In the recent re-registration of the nation's 23,000,000 basic "A" ration holders, each registrant was issued one of these mileage record forms. The form replaced the old tire rationing record, on which was kept a list of all gasoline rations issued to the vehicle and without this important record form, no motorist may be issued a "B" or "C" supplemental ration.

Apparently many motorists did not understand the use of the record form and lost or destroyed theirs, Mr. Lippman said.

No supplemental rations or special or furlough rations for cars with basic "A" rations may be issued to an applicant who does not present his mileage rationing record with his supplemental gasoline application. In cases where a motorist was not issued a mileage rationing record, or it was lost or destroyed, he should immediately apply to his local board for a duplicate.

Star of Silents  
Noted Visitor  
In Palm Springs

A noted figure in Palm Springs this weekend is William Farnum, most noted film star of the silent days and the first screen actor to receive \$10,000 a week, who is here with his wife, also a former film star. They are guests of Robert E. Callahan, novelist and radio voice, at the Apache Lodge.

Mr. Farnum will be remembered by old-time screen fans for his "Ben Hur" and the "Spoilers". The most realistic screen fight on record is credited to Farnum in that latter picture.

He was also on Broadway for ten years in Shakespearean roles. His Brother is Dustin Farnum, idol of Broadway for many years.

Bob Bennett and  
Burros Pose for  
Magazine Story

Bob Bennett and his burros spent all day Saturday posing for the camera and Bennett himself, got before the camera Sunday as Photographer Phil Stern of Colliers magazine took pictures for a two-page feature to appear in six weeks or two months.

Here with Photographer Stern for the pictures were Jinx Falkenberg, well known movie star and Cover Girl, and Leslie Brooks of Columbia pictures. Arthur Wilde, Columbia writer, was also in on the pictures and story.

After riding the burros over the trails near here and getting pictures of various scenic spots, Bennett was the target of the camera Sunday morning and his life story taken for the article.

Ruby and Connie Barleau, managers of the Dunes cafe, were in Los Angeles the fore part of the week, on business.

Capt. Harrington  
At Ceremony Here

Captain George H. Harrington of the 21st Ferrying Group, Ferrying Division, ATC, a former resident of Vancouver, Washington, was awarded the Distinguished Flying Cross at Friday's Retreat Review ceremony at the Palm Springs Army Air Field.

The captain earned the award while in the CBI Theater of Operations where he participated in more than 300 hours of operational flights, transporting aircraft over the difficult and dangerous Assam-China air routes. Flying by day and night, he was subject not only to attacks by enemy fighters, but was also endangered by the high altitudes over treacherous mountains, necessitating long periods of flight by instruments.

His achievements in the face of these hazards, together with his steadfast devotion to duty has reflected much credit upon himself as well as the Army Air Forces.

New Hot Springs  
Tract Now Ready

Formal opening of Tract No. 3, Desert Hot Springs, is scheduled for Sunday, January 28, L. W. Coffee, subdivider, said today.

Streets, water and other utilities are already in and pre-demand for lots near the Hot Springs and bath house is brisk.

Martin Mayer is tract manager.

Museum to Stage  
Field Trip Into  
Andreas Tomorrow

A Field Trip to Andreas Canyon is planned by the Desert Museum tomorrow, leaving the museum at 10 a. m.

Those planning to go are urged to wear sturdy shoes, bring a pocket lunch.

The outing is open to anyone interested and there will be no charge.

Boy Scout Kenneth Youngs will be the pathfinder for the party and Winfield Line will supervise the trip.

The party will return about 1 p. m.

C. E. Societies  
Of Community  
Church Active

Junior High Christian Endeavor society, which meets each Sunday evening at 6 o'clock at the Community church, is planning for a social event in the near future. This group meets each Sunday evening for a song service led by Sgt. Gilbert Carlson with John Harp as president. A Bible quiz is conducted by Miss Betty Rush, the prayer meeting chairman, and is enthusiastically received.

The Senior High and College Christian Endeavor group also meets Sunday nights at 6 o'clock, having its first meeting of the season last Sunday evening. Mrs. Don McCrossan was the speaker for this initial session. With her husband, she is engaged in work among servicemen at the Victory Center in Los Angeles and she gave an interesting talk of the work being done there.

Service Stripes  
To be Awarded to  
Gray Ladies Jan. 29

An event of much interest will take place next Monday evening at 8 o'clock in the Recreation Room at Torrey General Hospital. For on that day, January 29, members of the Gray Ladies Corps under the supervision of Mrs. Phillip Boyd will have completed many months of service well done and will be awarded their service stripes. One group will receive two stripes for two years of service, and another group will receive one stripe for one year of service.

Following the ceremony, Mrs. Boyd will introduce well known speakers who will discuss the G. I. Bill of Rights and the United States Armed Forces Institute which covers all types of correspondence courses. On Monday evening many patients will be guests of the Gray Ladies Corps, and it is for them that these talks have been arranged. Other guests who will attend the Award Ceremony are the husbands of the Gray Ladies who have cooperated with their wives' patriotic service since the hospital was first organized.

YES, we know there's  
a war going on!

-but here's how we're trying to overcome  
the difficulties of wartime travel

Our trains are longer and schedules are slower now. Space is hard to get. People frequently have to stand in line to buy tickets or to get into the dining car. In short, our service isn't what it was before the war.

The main reason is, of course, that our volume of passenger traffic is five times that of 1940, with just about the same number of cars we had then. And, like everybody else, we are short of help.

However, this company is determined not to just give up and blame everything on the war. Wherever possible we have taken aggressive steps to lessen the difficulties of wartime travel. For example:

1 Our "train assignment plan" for coach passengers has to a large extent eliminated overcrowding and standing on our long-distance trains. We endeavor to sell only as many seats as are on the train, and each passenger gets a reservation slip.

2 "Passenger aides," capable trained women, have been stationed on long-distance S. P. coach trains. They assist women traveling with children, help prepare "formulas" for the babies, aid the aged and infirm, and perform other services to make the journey as comfortable as possible for everyone.

3 In spite of the shortage of help, we have greatly expanded telephone reservation bureaus, increased our forces handling reservations, and devised new reservation systems, which are constantly reviewed. The situation is not perfect, but it is much better than it was.

4 We have increased the number of chair car porters, so that cars are now generally kept quite clean, a difficult problem because of the litter from box lunches, etc. Big trash boxes in the vestibules have helped, too.

5 "Train service agents" have been added to the staffs of long-distance coach trains. These men supervise all service features on the train, direct the chair car porters, see to it that the trains are kept tidy, try to overcome difficulties and meet emergencies.

We don't claim that all our people are perfect. They're human beings, and are under the strain of crowded war conditions. By and large we think they're doing a swell job and we're proud of them.

## Great Nights in Bible Subject of Morning Sermon

Topic of Dr. J. R. Macartney, pastor of Community church next Sunday morning at the 11 o'clock service will be the third in a series of sermons based on great nights in the Bible.

The subject of the evening talk will be on Hades, Purgatory, Hell and Heaven as revealed in Bible studies. A song service led by the Chapel choir and a moving picture "The Door to Heaven", will also mark the evening meeting.

Dr. Macartney announced that John Harp and Don Miller have taken charge of the Sunday evening movies under supervision of Donald Cole. For years the pictures were in charge of Charles Veith, Arthur Bushnell and John Ward but these youths have now left the Village.

## New Folder and Map at C. of C.

A new Palm Springs folder, including many views of the Village and nearby spots of interest, and an up-to-date map of the city, is now available at the Chamber of Commerce.

Walter Kofeldt, secretary, said local business firms could obtain copies of the folder and map with their name imprinted on the outside and the location of their business in red on the map, in quantities of 500 on application to him.

## Church Plans to Conduct Annual Count Feb. 4, 11

Annual census by states of worshippers at the Community church and by faiths will be taken in the next two weeks. These interesting counts occur early in the year each season. The geographical census will be taken Sunday, Feb. 4, the first Sunday in February, as it has been taken in the past five years. Last year 37 states and eight foreign countries were represented in the congregation with California leading with 49, Illinois next with 29, Iowa with 20 and down the line. The census by denominations represented will be taken February 11. Practically every faith was represented at last year's Ecclesiastical census.

### CHRISTIAN SCIENCE

271 Ocotillo Ave.  
One Mile South of The Plaza  
Sunday services at 11:00 a. m.  
Sunday school at 9:30 a. m.  
Wednesday evening services at 8:00 p. m.

### Christian Science Lesson Text on "Truth"

"We can do nothing against the truth, but for the truth." Thus spake Paul to the Corinthians according to the Golden Text of the Sunday Lesson-Sermon on "Truth" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston.

Matthew reports that "Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of disease among the people." In his Sermon on the Mount Jesus said, "Blessed are the poor in spirit: for theirs is the kingdom of heaven. Blessed are they that mourn: for they shall be comforted. Blessed are the meek: for they shall inherit the earth. Blessed are they which do hunger and thirst after righteousness: for they shall be filled."

Writing on this subject Mary Baker Eddy says in "Science and Health with Key to the Scriptures": "The spiritual sense of truth must be gained before Truth can be understood. This sense is assimilated only as we are honest, unselfish, loving, and meek." "In order to apprehend more, we must put into practice what we already know."

### CHURCH OF GOD IN CHRIST (Colored)

On Indian Reservation  
Rev. W. R. Wyse, Pastor  
Service at A. H. Hall  
Sundays: 9:45 a. m. — Sunday school.  
6:30 p. m. — Bible Class.

8:00 p. m. — Preaching service.  
Tuesdays at 8 p. m. — Prayer meeting.  
Thursdays at 7:30 — Missionary meeting.

## Still Need More Leaders to Aid in Girl Scout Work

"There's a war job for you in Girl Scouting," Mrs. John Hookey, Girl Scout Commissioner for Palm Springs, told women of the Village this week.

"We have many Palm Springs girls who want to be Girl Scouts but we need capable leaders for them. We need volunteers to assume these leadership jobs."

### VOLUNTEERS WANTED

Women who are willing to serve are asked to contact either Mrs. Hookey or Mrs. A. E. Bailey who is vice-commissioner for the Village.

The Palm Springs Girl Scout troop received its charter in August, 1944.

The Palm Springs Girls Scout council consists of 10 members with Mrs. Hookey, commissioner, Mrs. Bailey, vice-commissioner, Mrs. Ralph Smith, secretary and treasurer. Committee chairmen are: Camp, Mrs. Frederick Watson; Organization, Miss Katherine Finchy; Publicity, Mrs. Frank A. Purcell; Program, Juliet Lowe and Mrs. A. E. Bailey; Finance, Mrs. Philip L. Boyd; Little House, Mrs. Cecil Isenagie; Committee-women at large, Mrs. James B. Oliver and Mrs. William A. Lippman.

### MEETING MONDAY

The Brownies, girls 7 to 10, are in charge of Mrs. Dorothy Smith; Troop 1, of Pauline Smith; and Troop Two, Pean Nagle and Pauline Hayward.

A meeting will be held Monday evening at the Girl Scout Little House at which plans for an active season and organization will be discussed. All interested in Girl Scout work are urged to attend.

Information on Girl Scouting and leadership needs may be obtained from Miss Finchy, Mrs. Boyd or Mrs. Hookey.

## Sun Classads Win High Praise

Writes Raymond Godshalk to The Desert Sun classified department:

"Just a few lines in your advertising columns' sure pay. 'I advertised a few articles and shortly after your paper came out, all were sold. Many calls came in afterward. 'It certainly was money well spent for that advertisement.'"

## Five Episcopal Church Members At L. A. Meeting

The Rev. Robert M. Hogarth's sermon next Sunday morning at St. Paul's in the Desert Episcopal church will be "The Omnipotence of Divine Love." This is the first in a series of sermons on "Confessing Our Sins" during pre-Lent and Lent, until Palm Sunday.

"Episcopalians in daily worship say a General Confession all together. The form goes back to restoration England, introduced in the Prayer Book of 1662. The salutation to God, 'Almighty and Most merciful Father recognizes the fact that God forgives, which makes it possible for us to confess with certain hope of pardon,' said the vicar.

Five members of St. Paul's in the Desert attended the fiftieth anniversary banquet of the Episcopal church of southern California at the Ambassador hotel in Los Angeles Tuesday night. They were the Rev. Robert M. Hogarth, vicar, Mr. and Mrs. Raymond R. Wilson, Mr. and Mrs. John S. Lapp. Guest speaker was the Archbishop of Toronto, Primate of the Church of England in Canada.

## St. Paul's Guild To Meet Tuesday

St. Paul's in the Desert, Episcopal church guild, will meet next Tuesday in an all-day session starting at 10:30 a. m., at the home of Mrs. John Hobson, 29 Camino del Sur, it was announced today.

Hostess for the day will be Mrs. Frank W. Martineau.

## To Observe World Day of Prayer

"World Day of Prayer" will be observed Friday, Feb. 16, at St. Paul's in the Desert, Episcopal church, with special prayers and intercessions for all people, between the hours of 3:30 and 4:30, it was announced this week.

### Our Valiant G.I.'s

The Winter War has brought its reverses, as well as its victories. To millions of Americans, who had hoped that the worst was over in the European conflict, and that Germany was staggering down the road to early defeat, the Nazi offensive on the Western Front was a stunning, heartbreaking setback. MacArthur's victorious march in the Philippines, with the breath-taking jump from Leyte to Mindoro Island, only 150 miles from Manila, and the increasing tempo of our B-29 attacks on the Japanese homeland, have brought reassurance that the Pacific war is on schedule, if not far ahead of our timetables.

But America, nonetheless, was far from being in holiday mood this year during the Christmas-New Year season—and it is starting the work-a-day part of 1945, sobered and grimly determined, with the realization that we have suffered serious losses and that the day of final victory may be still far distant.

Through it all, however, the valiant courage of our American fighting men has shone out like a radiant light in a dark sky. Few Americans could read the news dispatches of how American G.I.'s measured up in the face of reverses and seeming disaster without great pride in their hearts for their sons and brothers. For this "civilian army" of ours, made up not of professional soldiers, but of men from every city and town and hamlet in America—men of every creed, color and station—has proved itself with a display of heroism, resourcefulness and indomitable courage never surpassed in the world's history.

Certainly, now, every American on the home front, with humble and grateful heart, should resolve to stay on the job—and finish the job. Never again should we permit ourselves to be carried away by over-optimism. Never again should we give less than our best in support of the men who have given us, and our country, the ultimate proof of their devotion.

Among the sources of those innumerable calamities which from age to age have overwhelmed mankind may be reckoned as one of the principal, the abuse of words.  
—George Horne

The key to every man is his thought. Sturdy and defying though he look, he has a helm which he obeys which is the idea after which all his facts are classified.  
—Emerson

### Don't Contribute to This Fund

"War fraud gyps are mulcting relatives of servicemen and thousands of other Americans at the rate of \$100,000,000 a year—more than the nation's total loss from burglaries, petty larceny, credit failures and forgeries combined," writes Frank Brock in a recent news article in the Survey Graphic.

The author of this article then lists some of these frauds and exposes the methods by which they are worked and, frequently, the disastrous results upon civilian morale in the communities where they are successful. Many of these are attempted only in the larger cities, notably the schemes which solicit funds for various "patriotic causes" such as a "grand military ball," where the racketeers can do much of their soliciting by telephone or by house-to-house calls.

However, there are some that can be worked just as easily in smaller towns and rural communities. They are described in the Survey Graphic article thus:

Even the casualty lists are explored for dividend producing material by the promoters. Relatives of servicemen get a letter offering "an interesting newspaper clipping" for 25 cents. If they bite, they get a casualty list with a name underlined in pencil. The charge is a dollar for the same sort of clipping mounted on an "honor roll".

"Heroes of World War II" is one of the first of the many memorial books that inevitably will be promoted. First, the promoters ask the family for biographical data about the dead soldier. That leads up to taking an order for a copy of the proposed book at \$10—payable in advance of publication. The war department recently issued a strong warning against operations of this type.

In one city racketeers operating a phony soldiers' relative unit spot service flags in windows, call on the soldiers' kin, and ask for money to get the servicemen home on furlough, saying that the man lacks money for railroad fare. Many gullible persons have paid, but of course no furloughs have resulted.

In another city a band of ghouls called on war widows saying: "Your husband took out an insurance policy with us just before he entered the service. The \$1,000 is payable now, but we require \$10 in advance for legal recording of the birth certificate." Many widows paid, but heard no more of the insurance—or of their \$10.

Fake servicemen are canvassing many communities, obtaining washing machines, sewing machines, vacuum cleaners, and other valuable appliances on the pretext of repairing them "in cooperation with the government's war on waste"—but they never return the appliances. Other chiselers take fingerprint records and signatures "for the files in Washington," for which they collect a fee. Often such signatures come in handy for forgery, especially to crooks who endorse and cash stolen service pay checks. Fly-by-night agencies have made fortunes through a spurious birth certificate service. Homes and war plants are invaded by slickers who urge people to cash their war bonds and put the money into fake stocks and bonds, oil lands and leases.

#### SOLDIERS USE FEMININE CAMOUFLAGE FACE PAINT

Face paint may have annoyed them during peacetime, but today's fighting soldier is using it for camouflage purposes.

Manufactured in stick form to fit a round metal tube, makeup is supplied in two colors in one of three combinations—loam with green, white or sand. Choice of color depends upon the type of terrain.

#### BATH AND LAUNDRY UNIT AIDS MORALE

A boost to the morale of American doughboys in Europe are bath and laundry units, camouflaged in groves of trees, near the front lines.

The men withdraw from the front line in small units, bathe or shower, and receive fresh clothes. Soiled clothes are laundered and reissued to other groups coming later.

### Informal Talks on PTA's Place Given At School Meeting

The Palm Springs Parent-Teacher association met Monday evening in the cafeteria of the Frances Stevens school for its monthly meeting. Due to the inclement weather no quorum was present so there was no business meeting.

Reports show that the sections at Cathedral City and Calhulla are performing a good service for their respective schools and have initiated study programs. The Cathedral City section sent in seven new members. This makes the total membership of the PTA in the neighborhood of eighty.

#### MAY SOON TOP 100

"If the Frances Stevens section will meet again and reconsider its motion of disbandment, the association ought to top one hundred members by the time of the annual meeting in March and be in a position to render good service in the coming year," Stanton Griffing, president, said.

Just what this service can be was the topic for discussion at the meeting. It was intended to have a panel discussion but sickness took away two of the five participants.

#### INFORMAL TALKS

An informal exchange of ideas on "Parent Education," led by Miss Finchy; "The PTA Aims," led by Mrs. Evelyn Peterson; and "The Parent and the School," led by Stanton Griffing; soon had a lively and informative meeting under way.

The most attention was paid to explaining modern educational methods and their emphasis on the mental, social, physical and spiritual development of the child as distinguished by former concentration on the mental development. It brought out the necessity for considerable enlightenment by school administrators for the edification of parents who do not understand the trend in education. The next meeting of the association will be Monday, February 19.

### Formal Opening The Lido Tonight; Public Invited

Lou Danzinger, owner of the redecorated and enlarged Lido cafe, formerly the Cubana, at 239 North Palm Canyon drive, is all prepared for the formal opening of the new night spot, scheduled for this evening.

The Lido has been expanded to take in both rooms of the old Cubana, formerly separated by a partition. A large, almost circular bar fills the west end of the room with booths and tables in the open space in front of it.

The walls have been painted in soft colors and soft lights add to the attractiveness of the place.

The entertainer's stand is on a platform in the center of the circular bar and there Pat Peterson, formerly of the Stork club and the Cotton club, New York, and the Jack Stanley Trio, from the Sunset strip, entertain Lido patrons.

A man's true estate of power and riches, is to be in himself; not in his dwelling, or position, or external relations, but in his own essential character.

—H. W. Beecher

We infer the spirit of the nation in great measure from the language, which is a sort of monument to which each forcible individual in a course of many hundred years has contributed a stone.

—Emerson

### Better—or Just as Good?

MOST of us aren't satisfied with buying—or growing or manufacturing—something that's "just as good." We want something better. And, in most cases, that something better comes through competition.

For competition—real competition—is something besides two people making, or offering for sale, the same goods or services. It involves a lot more. And anybody who serves the public prospers because he has something better to offer—whether it's quality, prices, service, or just a clean appearance and a pleasant smile.

Real competition doesn't come from punitive taxes, or subsidies, or any other sort of horse-race handicapping to make everybody in business start even. For it isn't equality that's needed; it's the inequalities that are the true measure of progress.

Real competition is the kind that encourages the manufacturer, the farmer, or business man to get his quality up, his costs down, and to develop new things his customers want. It's this kind of competition that produces something better rather than something just as good—that insures to the public a steady increase in the value it gets for its money. ## Large Throng Sees Exciting Gymkhana At B-Bar-H Ranch

A large throng of interested spectators turned out last Sunday despite slightly inclement weather, to watch eight exciting Gymkhana events at the B-Bar-H ranch with Los Compadres members playing a large part in the highly successful event.

Villagers, guests at the ranch, and others from surrounding communities, were present to watch the contestants.

Results of the events:

Trail Horse Class, won by Junior Davis.

Musical Chairs, won by Kenny Paul.

Bending Race, 1st heat won by Mel Sample; 2nd heat won by Junior Davis, 3rd heat won by Frank Gates. Finals won by Mel Sample.

Calf Decorating, won by the team of Bill Wilson and Dorothy Cooper. (This was the most exciting event of the day as ten ropers and their partners were all turned loose at one time to try and rope six calves and remove the ribbon from the calf's tail.)

Rescue Race, won by Smokey Bonner, rescuer, and Junior Davis, pick-up.

Boot Race, won by Mel Sample. Team 3-legged Race, won by team of Rolly Prebstol and Mrs. Homer Urton.

Calf Roping, won by Frank Gates in 28.1 sec.; 2nd to Joe Butler, 31.4 sec.

## Plans and Reports Heard at Meeting Of Mayor's Board

Informal discussions and reports marked the meeting of Mayor E. E. Theriault's Coordinating Committee last Friday with 14 present.

Chairman Harold West of the Red Cross reported on the new first aid course and on plans for a nurses aide class. He also reported that more staff assistant trainees were needed and touched on the need for more volunteers for the mobile blood bank unit to be at Riverside Feb. 5.

### STUDY CAMPAIGNS

Dr. E. E. Oertel, principal of the high school, told of an opera to be given by high school students at the Plaza theater March 9 and urged all who can to attend.

Mrs. William A. Lippman, president of the Woman's club, reported on that organization's activities.

Walter Kofeldt, secretary of the Chamber of Commerce, was asked to ascertain the status of charitable drives in the county in regard to cost of collections and to report back to the committee to guide its action in future campaigns.

### PRESENT AT SESSION

Present at the meeting were: Mayor Theriault, Major William Hinton, Harold West, Dr. E. E. Oertel, Mrs. William A. Lippman, Florian Boyd, Earl Coffman, Charles J. Burket Lloyd Simon, Miss Katherine Finchy, Gordon Feekings, Robert Ransom, Dr. Henry S. Reid and Walter Kofeldt.

### ISU NOTES

Members of Italian Service Units are former prisoners of war who have volunteered for work in the American war effort. Italian prisoners hostile to the Allies are held in prison camps.

FUN PLUS—A merry-go-round of uproarious laughter and romance in Universal's "My Gal Loves Music," with Grace McDonald, Bob Crosby, Betty Kean, at the Palm Springs Theater, January 28, 29 and 30.

## "I Rise to Remark"

By CONGRESSMAN JOHN PHILLIPS

The hottest subject on the Hill today is the recent "State Director Advice" from Selective Service, National Office, on the subject of taking farm employees. It has not yet hit the papers, but it will any moment. The temperature began to rise as soon as rural Congressmen saw the memo. (which is No. 288, to State Directors, issued January 3) headed "Reclassification of Registrants in Agriculture."

More than 50 Congressmen met at once, you might say "spontaneously." A committee of 11 was selected to find out what this meant. I am one of the eleven. Congressman Lemke is chairman. This morning we met again and I would say 300 people, at least 200 Members of Congress, listened to and questioned General Hershey, head of Selective Service.

The memo said in effect that the President of the United States, supported by the War Food Administrator, had said that young men on the armed forces are more needed now than young men on the farms. It did not say in so many words that the Tydings Amendment was to be ignored, but certainly that was the effect. The Tydings amendment, as you know, said that a farm worker is to be deferred IF (1) he is employed continuously, (2) taking him would leave the farm unworked, (3) there is no possible replacement, and (4) he is engaged in essential agriculture.

Farm boys are not slackers. They are fighting everywhere in the world, and fighting well. Draft Boards are having a tough time. They deserve more credit than they will ever get. They have worked wisely and well. These are not the issues.

The issues are largely statistical. General Hershey is told to produce 750,000 new men by July 1st. They must be the best, physically and mentally. 360,000 young men will come of draft age this month. On past records, 180,000 of them will be fit, or can be taken. Another 240,000 will come up before July 1st. Total 420,000. Where will the rest come from? It is easiest to tap agriculture.

Some of us can read figures too! The armed services have taken 13,500,000. They have as of today 11,900,000. Of these 7,225,452 are abroad. Subtract: that leaves 4,674,518 still in the United States. Why can't the Army and the Navy get the difference of 330,000 out of its own reservoir? Is a capable young Navy officer, wounded in combat, to be discharged to seek civilian employment, and a Navy desk job filled by an active, physically fit

young man from the farm? It's being done; this is a case.

Must the Army have physically tops young men to drive the brass hats around Washington and other cities? It's being done; in England the girls do this driving. Must the Army have 2,000,000 civilian employees in the draft ages? Are Congressman Costello and Senator Byrd right when they charge the bureau with having more than a half million employees of draft age? Could the industries operate with less reserve manpower than they have? Ask any employee in California confidentially what he knows about this. There are 266,000 people drawing unemployment insurance in Michigan. I've asked for the California figure. Are we sure all of them are women or men over draft age?

General Hershey does not have the authority to answer these questions. They should be answered. Men in the service must eat, as well as civilians. All the farmer wants is a square deal. The investigation is still on. The temperature, which I said was rising, is now about equal to the steam room of a Turkish bath!

## Ten-Minute Zone Asked in Front of Red Cross Offices

Request of the Palm Springs branch of the American Red Cross for a green 10-minute zone before its headquarters at 107 North Palm Canyon drive was referred to City Manager Ray M. Sorum and the council's public safety committee for action Wednesday.

The request came from the Red Cross Motor Corps which set forth that with so many cars parked in the vicinity, station wagons of the corps often had to park a block away and material for the Red Cross carried that distance to headquarters.

The plea was signed by Harold West, chairman of the local Red Cross.

City Manager Sorum said that he had studied the situation and recommended a green strip, sufficient for two cars. Because of other complications, however, the matter was referred for further scrutiny and action.

## Rainfall Record Shows Big Drop

Rainfall for the 1944-45 season was still less than one-third of the fall last season at the same time, a check of figures today revealed.

With the .18 of an inch measured last weekend, the total for the season is 2.41 inches. Last year on Jan. 26, total for the 1943-44 season, was 7.66 inches.

MORE ABOUT . . .

## Bus Lines . . .

1944. Tudor Gairdner appeared for Tanner Motor Tours, Walter Kofeldt for the Palm Springs Chamber of Commerce, Dr. F. M. Wilbor, William Wolseth, president of the chamber, and W. R. Hillery for Cathedral City, George W. Gleason, CWO, for the 21st Ferrying Group, ATC, base at the air field, L. W. Coffee for Desert Hot Springs and T. H. McDonald for the Garnet Valley Chamber of Commerce.

Justice W. Craemer, chairman of the state railroad commission and Examiner M. R. Chiesa, heard the testimony.

### NEED IS SHOWN

In the commission's decision handed down this week, it was cited that the testimony already showed a need for the proposed bus line and it was set forth that residents, workers, health-seekers, vacationists and army personnel required the service to enable them to get to their work, businesses, stores and to recreational spots.

Therefore, a certificate of public convenience and necessity was ordered granted to the Tanner Motor Tours, Ltd., authorizing them to establish passenger stage transportation between the Village and Desert Hot Springs on the one hand, and to Cathedral City on the other.

## Council Votes \$1,000 to Aid City Publicity

City Attorney Roy W. Colegate was authorized in a resolution by city council Wednesday to draw up an ordinance appropriating \$1,000 for the Chamber of Commerce, the money to be paid to the Chamber upon presentation of vouchers showing expenditures for publicity and advertising purposes.

City Manager Ray M. Sorum submitted budget figures showing that \$1,000 had been earmarked for this purpose and then it was brought up that this amount should include the \$500 annually given the All-Year club.

Councilmen declared that under present conditions advertising to bring more people here was not entirely desirable and it was stipulated that the \$1,000 to be appropriated be the entire sum allotted the Chamber during the fiscal year. Councilman Armand Turonnet said that with the council obligated to a recreation program because of the purchase of the Field Club, a careful check would have to be kept on expenditures.

The motion to authorize the appropriation carried five to one.

## Child Health Clinic Scheduled Tuesday

Mrs. Madge Holderman, public health nurse, was anticipating another record attendance at next Tuesday's monthly child health conference. These monthly clinics have been gaining steadily in attendance since they were resumed last September.

Miss Mildred Van Cleeve, county pediatrician, will be in charge.

There is need for realization of the existing fact of the universal brotherhood of man.

—Dr. T. Z. Koo

What is true simple and sincere is most congenial to man's nature.

—Cicero

## Schedules

For Your Convenience

### BUS SCHEDULE

Greyhound depot, 200 North Indian avenue, R. R. Dunlap, agent.

#### Eastbound

Leave Los Angeles: 12:01 p. m., 4:00 p. m., and 5:00 p. m.  
Arrive Palm Springs: 4:02 p. m., 8:13 p. m., and 9:23 p. m.

#### Westbound

Leave Palm Springs 5:43 a. m., 12:18 p. m., 5:48 p. m.  
Arrive Los Angeles: 9:35 a. m., 4:00 p. m., 9:50 p. m.

NOTE—An extra bus leaving Los Angeles at 12:01 p. m., arriving here at 4:02 and leaving here at 5:48 p. m. for Los Angeles is an exclusive Palm Springs bus.

### LIBRARY HOURS

Welwood Murray Memorial Library, Dorothy K. Bear, librarian. Mondays through Fridays, 10 a. m. to 7:30 p. m. Saturdays, 10 a. m. to 5 p. m.

### MAIL SCHEDULE

Post office at 174 North Palm Canyon Drive. R. M. Gorham, postmaster.

Eastbound mail closes on weekdays at 11 a. m. and 8:30 p. m. Westbound mail on weekdays at 2:30 p. m. and 8:30 p. m.

On Sundays, east and west, at 3 p. m.

Incoming mail distributed on weekdays at 8 a. m., 3 p. m. No distribution on Sundays.

### SOUTHERN PACIFIC

Eastbound trains pass Palm Springs depot at 12:11 p. m., 7:04 p. m., 10:08 p. m. and 10:31 p. m., leaving Los Angeles about three and one half hours earlier.

## Indians Scalped By Arabs in Hot Basketball Game

By ART JONES

Under a pelting deluge of the world-famous California liquid sunshine, our heretofore unbeaten redskin "A" cagers, defending their reservation, were scalped in the final overtime minutes of the invading Coachella Arabs last Friday, Jan. 19, to drop one of the most spectacular contests ever enacted in the East Riverside County League, to the tune of 30 to 26.

Enjoying a slight edge over their opponents (due to previous practice on the local battlefield), prior to the "click" of the starting gun (no "ammo," this is war ya know!), the maroon and white quintet pranced into the arena and immediately began laying down a barrage of sharp-shooting made possible by the precision teamwork of "Shorty" Metzendorf, "Buns" Peterson, and "Umbrella" Smith, together with the excellent ball-handling by "Yo-yo" Brummitt, an occasional stratosphere swisher from Jurado, and the aid of Devers' molasses fake, "Bwan-garoo" Benson, S.B.P. Lienau, and "Egg-head" Emerson.

### THEN IT CAME

But Coach Thompson's boys soon lost all over-confidence when right off the bat Metzendorf, sensational Indian center, made four personals (five foals are allowed), which forced him to go easy and be held to 7 points, and also due to a certain green and yellow flash, namely Jenkins, who kept the tally even-steven to end the half at 12-all.

The large crowd from both schools that overflowed the stands immediately sensed the impending battle-royal and proceeded to yell their throats hoarse with the assistance of their respective cheer leaders.

### COME BACK STRONG

Both quintets came back stronger than ever in the third period and the score soared up. Finally, Smitty, who can't resist the temptation of bumping into people, was forced off the courts by personals and again the Arabs came from behind to tie up the "casaba toss," 26 to 26 as the last water-soaked quarter ended, leaving everyone in somewhat of a dither. A three-minute overtime ensued which caught the Redman flatfooted and Jenkins sunk a free-throw to put the Arabians out in front. When Timekeeper Moya (you know her as the slave-driver in study hall) screamed that the time was up, everyone prepared to evacuate, but coach's trusty rule book stopped 'em dead in their tracks and the contest was resumed for another 180 seconds. The local five tried desperately to wrest the advantage from the invaders, but in vain. The opposition tossed in three more points and the gun clicked again.

### REFEREE IS SHARP

One of the chief faults of our "hoopsters" was their personal fouls (20 of 'em) which were caught under the all-seeing eyes of the referees, Pfc. Ernest "Alabam" Watkins and Cpl. Ed Vitalich.

This victory shoves Coachella ahead in the race for the league championship, but it is the opinion of this (so-called) writer that the well-worn slogan, "wait till basketball season!", wasn't just a whistle in Dixie. Unless something unforeseen occurs, our boys are bound and determined to give Coachella a sound thrashing when next they meet.

The lineups were as follows: Palm Springs: 5-Smith, F; 3-Peterson, F; 7-Metzendorf, C; 0-Brummitt, G; 5-Jurado, G; 0-Lienau, G; 0-Devers, F; 4-Emerson, F; 2-Benson, F; 0-Bell, F; and 0-Moseley, G. Coachella: 13-Jenkins, F; 4-Payne, F; 1-

## Bowling Alleys Take a Beating At GAA Session

Amid a chorus of good-natured ribbing, 20 future bowling stars showed their skill with scores from 40 to 150, at the weekly G.A.A. meeting, at the Bowling Alley, on Wednesday, January 17. Babs Neel, DeLorse Roth, Diane Heller and Joanne Whorton took top honors.

Under the guidance of Miss Vash Hronis, the girls learned that there is more to bowling than just rolling the ball. Miss Mary Louise Gaylord served as chief score-keeper and official consultant.

The G.A.A. meets from 3:00 to 3:45 in the gym every Wednesday for outdoor sports. Hockey season is starting now, and the \$25 dues are payable to Treasurer Barbara Inman. There is a special bus at 3:45 to take members downtown. All girls are invited to join.

## Aptitude Tests Dates Are Fixed

To all those students planning on entering Stanford University, an aptitude test is required of all under-graduates applying for admission.

These tests will be given in Long Beach on March third, in Pasadena March 10, Riverside, March 19, Long Beach, February 28, and in Ukiah, March 20. They will require about three hours beginning at nine o'clock A. M.

Applications and credentials for admittance to Stanford University must be filed with the registrar no later than the following dates: Autumn term, May first; Winter term, December first; Spring term, March first, and Summer term, June first.

## Seniors to Back Winter Formal At Woman's Club

True to tradition, the Seniors of '45 will sponsor the Winter Formal to be given at the Woman's Club on February second. Romantic couples will dance to the sweet and low music of the 21st Ferrying Command orchestra.

Price of admission is \$1.50 a couple and \$1.00 stag. Trudy Sawyer and Cecile Morris are in charge of the decorations. Refreshments will be served by Edith Greer and Mildred Woolhouse throughout the evening. The dance will begin at 8:30 p. m.

Unlike the Junior-Senior Prom, this dance includes all classes and all students are cordially invited by the Senior class to come out and make this, the first formal of the year, a big success.

## Many New Books Put on Shelves

Thanks to an industrious librarian and a couple of willing library assistants, all the new books received last week are now resting on the book shelves along with the oldies.

Perhaps it is the newness and attractiveness of the books that is selling them, but regardless there is a long list of reserves for several of the new books.

McGee, C; 4-Duncan, G; 1-Keene, G; and 7-Jesson, G.

### PAPOOSES LOSE

The papooses were also squeezed out by the narrow margin of 26 to 25, with Flynn and Hernandez sharing top honors with 8 points each. Art Jones, new addition to the "B" squad, was held down by an upset solar-plexus. Murphy and Anderson sparked Arabs attack with 9 and 7 points, respectively. The half ended 15 to 16, in favor of Palm Springs, but coming back in the third period their change of defense failed to hold up under the fast ball-handling of the green and yellow, who tossed in 7 more points. The last quarter saw the Indians take a new lease on life to sink several "swishers," but time was with the invaders who just barely added another victory to their so far undefeated season.

The lineups were as follows: Palm Springs: 0-A. Jones, F; 4-Asheley, F; 8-Flynn, C; 3-Wills, G; 8-Hernandez, G; 2-B. Jones, F; 0-McLearn, G; 0-Hines, F; and 0-Williams, G. Coachella: 7-Anderson, F; 5-Lambert, F; 9-Murphy, C; 0-Sherrod, G; 0-Rodriguez, G; and 5-Duncan, F.

Li. Comdr. and Mrs. H. V. Hutchings and Harold V. Hutchings, Jr. are enjoying the desert, occupying the J. N. Borrowings home here.

# Palm Springs High School Smoke Signal

## Rehearsals Under Way for Musical Show on March 9

Rehearsals for "Harmony Hall," a two-act operetta to be presented by the Music department on March 9, at the Plaza theatre, are staged daily in the auditorium, Alexander Hammond announced. The Girls' Glee Club and Boys' Chorus, to be cast as the St. Cecilia Choir and Glee Club, practice during first and second periods, respectively. The boys' group is a new addition to the music department, and features fine tenor and bass sections.

Although the leading parts are as yet undecided, Mr. Hammond emphasized that everyone will have an opportunity to try out, and it will take at least several weeks to cast them correctly. For students who do not take music first or second periods, try-outs and rehearsals will take place during activity period.

The boys' quartet, including Bob Dart, John Wilson, John Klug and Robert Vallier, will do an interpolated specialty number for the program.

Approximately fifteen girls, who are not in the chorus, will be chosen by Miss Vash Hronis for the "Harmony Hall" dance routines.

The school orchestra, with Mrs. Lois Lux at the piano, will furnish the musical background.

## May We Introduce

By MORT AND BOB

### BOY OF THE WEEK

One bleak and desolate night in Seattle 17 years ago, a man anxiously paced the floor. In his pocket he held ready a box of loaded cigars and a pistol for himself if it turned out as he expected. Suddenly there came a voice, "It's a boy". The man was so overwhelmed he stuffed a cigar in his own mouth and shot everybody else. A beautiful boy it was, 22 pounds, 6 ounces, clean shaven, bald as an eagle and with the ten cutest little toes on each foot. This was December 5, 1927, and because of him we were destined to fight a war. Japs refused to call a legal holiday on his birthday and two days later in 1941 we decided to fight it out.

To cover his features thoroughly, we'd need a gunny sack but since he's self conscious, we'll give you facts. He's got brown eyes and brown hair, along with a brown nose, brown ears, and brown lips. When it's all there, his hair is peculiarly wavy showing evidence of being crowned by a wash-board. One stick of dynamite, two vices, and crowbar can open his mouth to reveal his outstanding feature; six silver fillings.

The thing he likes best next to French apple pie a la mode double is being in the arms of Mabrey. He just coyly drives his romantic little "hot-rod" up to Palm Canyon, she puckers up and is shyly rewarded by, "Guess what I got in geometry today? 99 guesses. Start with a 100 and work down." So they go off to the show, she with her gay trip; he with his pigeon-toed stomp.

Around school, he's the proverbial sports flash; he's 5' 8 1/2" and weighs 150. They call him "Smitty". I don't know why since his real name is Maurice Smith.

### GIRL OF THE WEEK

Featuring a member of the fair sex this week, we present a smiling Senior. She came into this world a true Californian for she was born in Los Angeles on March 16, 1927.

She has grown since her birth for she now stands five feet three inches tall and weighs 110 pounds.

When at the movies she would rather see Van Johnson and Greer Carson on the screen except her one and only, Roaul Prieto A.A.C. By the way we understand her engagement ring will be here this week.

One of her big favorites is Harry James and his "Star Dust" or "I'm Lost". She also likes all indoor sports, and loves to write letters.

Her only dislike is "people who try to be what they aren't". She can be seen around the campus with Trudy, Barbara, Mary and Mabrey. If you don't know who it is by now, may we introduce Cecile (Cecil) Morris.

For Essential Transportation—Yellow Cabs. Phone 4444.

## The Staff . . .

Editor ..... Sallie Lockett  
Ass't Editor, Margaret Walker  
Feature Ed. .... Mort Algase  
Sports Ed. .... Art Jones  
Bus. Mgr. .... Don Omlin  
Reporters: Barbara Inman,  
Cherie Mashburn, Delores Vallier, Wendell Delano and Harold Emigh.  
Faculty Adviser:  
Mary Louise Gaylord.

## Smoke Signals Staff Changes Are Announced

Sallie Lockett and Margaret Walker will replace Mort Algase and Sallie Lockett, respectively, as editor and assistant editor of the Smoke Signals, faculty adviser, Mary Louise Gaylord announced today.

Feature and sports editors, formerly Margaret Walker and Gillar Boyd, were reassigned as Mort Algase and Art Jones.

Don Omlin succeeds Bob Hann as business manager.

Barbara Inman, Cherie Mashburn, Delores Vallier, Wendell Delano, and Harold Emigh, who entered journalism at the beginning of the semester, will serve as reporters.

## GAZOOZIT

(By CECIL)

Another week, another column, so that brings us back to the friendly campus of P.S.H.S. for another look into the happenings of the past few days.

The game with Coachella caused numerous sore throats from the grandstand and a lot of hard playing from our mighty five. It was a good game in spite of the rain and the fact that we lost by a very slim four points. And fella, don't let anyone tell you it wasn't.

The Sophomore - sponsored "Mardi Gras" really turned out swell, and everyone had a good time dancing to the music of the Torney General Hot Shots. Those little (?) Sophomores are really goin' far!

Seen dancing and from all reports, having a good time were Mary Cornman and "J.B.", (causing many an eyebrow to rise when they walked in), Art Jones and Diane Heller tripping the light fantastic, and Norma and Smitty dancing cheek to cheek.

After the dance was over, everyone adjourned to Dart's as usual. The party broke up early after a few more dances, and the gang went home.

The gang, that is, except for those five crazy girls who stayed all night at that "notorious" trailer. That made just four too many. While one begged for quiet, the other four stayed up and gabbed.

Most of the kids turned up at the show Saturday night and since the balcony is banded, they chose the right aisle. Plenty of fun was had, and a fairly quiet night.

Sunday dawned cloudy and damp, but that didn't change the plans of the picnic. The braver ones trotted up to Palm Canyon for some nice wet weather. Trudy received her weekly bath, pure coca cola, while Barbara enjoyed a piggy back ride down the hill. They all came back frozen stiff, but don't give up hopes, kids, the weather will warm up sometime.

New this week is Don Hainer, yes, Carol's brother. He's a discharged Navy veteran, and plans to start to college as soon as he brushes up. We're glad to have you with us Don.

Leaving our fair campus to join the Navy was Bob Fern. Bob left Sunday, and we'll see him again when he finishes "boot" camp. We're all gonna miss Fern, with all his crazy ideas, and jokes. Good luck Sailor, and don't believe that old saying about a girl in every port.

Heeding the call of the Merchant Marine, Chuck Nimitz left for San Francisco. Chuck's another one we'll never forget. He's the slap-happy guy with a joke for every occasion.

Seen round town: Al Adolph all dressed up in those Blues with Bobby Emigh in tow. Hookey and Don McKinney out looking up a good time. Jeannette Ofthum wearing a Letterman sweater that looks very much like the property of Dick Moseley. Ed Wills, Sophomore president, too busy for a date to the dance. Mrs. Henderson with her handsome Sailor-husband out for a stroll.

Tuesday night was a big night for the trailer kids as they enjoyed dinner by Dart. It's one of Dart's specialties, cooking.

Well, that's about all from here,

## Four Changes in Schedules Made For Second Half

Four changes in schedule were put into effect at the faculty meeting held Monday evening, January 22, for the second semester.

To accommodate graduating Seniors, Dr. E. E. Oertel will teach civics first period, replacing the second period class formerly conducted by Mr. Alexander Hammond.

Mr. Hammond's boys chorus will rehearse for the operetta in the auditorium during second period.

The fifth and sixth period basic English classes were combined to be taught by Mrs. Martha Harris sixth period.

Mrs. Harris will serve as proctor in seventh period geometry.

## Editorial

### MANNERS EVERYWHERE

When at sport events, remember there are manners for sports the same as there are for any other social event.

There are times when you are supposed to cheer and times when you are not. You should never "boo" or "hiss" any decision of the referee or any play made by the players. If you have ever been on a basketball court and have made a mistake you know it as soon as it happens. The referee is also bound to make some mistakes or what looks like mistakes, but you must remember these men are trained to watch for fouls and other penalties, and they can't always watch ten men at one time.

So remember, please, next time you are at a game, whether basketball or some other sport, watch the game and cheer, and don't try to belittle anyone.

—Don Omlin

and as the sun sets on the campus of P.S.H.S., we bid farewell to all the gossip and dirt for another week.

Today is not yesterday; we ourselves change; how can our Works and Thoughts, if they are always to be the fittest, continue always the same? —Carlyle

## Oratorical Contest Entries Reminded Of Requirements

Students entering the eighth annual Student Speakers contest must file written manuscripts of their talks, not to require over ten minutes or less than eight minutes delivery time, with Miss Mary Louise Gaylord or Mrs. Kathryn Martin, by Wednesday, January 31.

"What My Parents Mean to Me" is the topic selected for the contest, sponsored by the Lions Club of California and Nevada, for 1945.

Five or six talks will be selected to compete in an elimination assembly on February 21, where three will be chosen to speak before the local Lions Club in March. The winner of the community contest is then entitled to enter the zone contest.

Judging is to be based on text and delivery. Originality, forcefulness, logic, arrangement to get and maintain interest, research, and composition will be noted in manuscripts. Delivery will be judged on sincerity and quality of spirit, emphasis and inflection, enunciation, voice control, pronunciation, and gestures.

## Big Turnout for Sophomore Dance Last Friday Night

All turned out in raindeck last Friday night for the first Sophomore dance of the year which was held in the school auditorium.

Merrilyn Crockett acted as mistress of ceremonies and Ed Wills as the chief money maker, in charge of the games.

The main event of the evening came when all concerned witnessed Bob Dart go back on his starvation diet and make high bid for a cake. Harold Emigh and Mary Corman were the last couples on the floor in the "hot potato" dance for which they each received one of the door prizes.

Mr. and Mrs. Howard Flint of Birmingham, Mich., are guests here on a winter vacation. They are stopping at the Desert Inn.

## Name Mort Algase New Chairman of Student Council

At the regular Tuesday Student Council meeting, Mort Algase was appointed to succeed John Wilson as vice-president of the Junior class. Wilson was disqualified because of grades.

Dr. E. E. Oertel spoke to the council regarding their participation in a program to help students, particularly Freshmen, adjust themselves to high school life, since there have been several suspensions due to repeated cutting class and childish misbehavior in class. In the discussion that followed, it was pointed out that other schools had solved that problem, for the most part, by appointing a Council Committee to review the cases and prescribe action. Student opinion was more effective in dealing with the offenders. Discussion and action on the issue will continue in the next meeting.

## Confusion Holds Sway as Another Semester Starts

Never before in the annals of history has a more disagreeable cold, rainy day dawned than Monday, January 22, the first day of the new semester. Confusion reigned supreme, as grubby schedule cards were hastily scanned to give lost students their bearings when classes were changed.

But, if the first of the week was bad, the worst came today, when the office bestowed upon the younger generation some two hundred report cards. To make matters worse, seventh period teachers waited until the last three minutes to pass them out—all the while "glancing" carelessly over each individual one, nodding knowingly over their own contributions.

Since many of the Seniors have extra credits, they will be attending morning classes only, so several of our old standbys will be missing after lunch. Also depleting our ranks is Uncle Sam, who seems to be snatching the fella's right out from under the girls' beartraps.

Dr. and Mrs. Harvey Fearn of Bozeman, Montana, are the guests of Mr. and Mrs. T. M. Perrin of 1810 Mesa drive. It is their first visit to the desert and they are delighted with Palm Springs and its environs.

**"We're planning for an Electric REFRIGERATOR"**

"Yes, indeed, when we buy a refrigerator, it will be modern—one that will give us efficient service for the rest of our lives, and of course it will be an electric. It will have different cold zones for different foods, and a fast-freezing compartment for meats, vegetables and desserts."

"And it will be economical to operate, too... Because electricity is so dependable and costs so little, we're planning for new joy of living the electric way."

Plan today to do it the Modern way... ELECTRICALLY

**CALIFORNIA ELECTRIC POWER CO.**

## Indians Scalped By Arabs in Hot Basketball Game

By ART JONES

Under a pelting deluge of the world-famous California liquid sunshine, our heretofore unbeaten redskin "A" cagers, defending their reservation, were scalped in the final overtime minutes of the invading Coachella Arabs last Friday, Jan. 19, to drop one of the most spectacular contests ever enacted in the East Riverside County League, to the tune of 30 to 26.

Enjoying a slight edge over their opponents (due to previous practice on the local battlefield), prior to the "click" of the starting gun (no "ammo," this is war ya know!), the maroon and white quintet pranced into the arena and immediately began laying down a barrage of sharp-shooting made possible by the precision teamwork of "Shorty" Metzendorf, "Buns" Peterson, and "Umbrella" Smith, together with the excellent ball-handling by "Yo-yo" Brummitt, an occasional stratosphere swisher from Jurado, and the aid of Devers' molasses fake, "Bwan-garoo" Benson, S.B.P. Lienau, and "Egg-head" Emerson.

### THEN IT CAME

But Coach Thompson's boys soon lost all over-confidence when right off the bat Metzendorf, sensational Indian center, made four personals (five foals are allowed), which forced him to go easy and be held to 7 points, and also due to a certain green and yellow flash, namely Jenkins, who kept the tally even-steven to end the half at 12-all.

The large crowd from both schools that overflowed the stands immediately sensed the impending battle-royal and proceeded to yell their throats hoarse with the assistance of their respective cheer leaders.

### COME BACK STRONG

Both quintets came back stronger than ever in the third period and the score soared up. Finally, Smitty, who can't resist the temptation of bumping into people, was forced off the courts by personals and again the Arabs came from behind to tie up the "casaba toss," 26 to 26 as the last water-soaked quarter ended, leaving everyone in somewhat of a dither. A three-minute overtime ensued which caught the Redman flatfooted and Jenkins sunk a free-throw to put the Arabians out in front. When Timekeeper Moya (you know her as the slave-driver in study hall) screamed that the time was up, everyone prepared to evacuate, but coach's trusty rule book stopped 'em dead in their tracks and the contest was resumed for another 180 seconds. The local five tried desperately to wrest the advantage from the invaders, but in vain. The opposition tossed in three more points and the gun clicked again.

### REFEREE IS SHARP

One of the chief faults of our "hoopsters" was their personal fouls (20 of 'em) which were caught under the all-seeing eyes of the referees, Pfc. Ernest "Alabam" Watkins and Cpl. Ed Vitalich.

This victory shoves Coachella ahead in the race for the league championship, but it is the opinion of this (so-called) writer that the well-worn slogan, "wait till basketball season!", wasn't just a whistle in Dixie. Unless something unforeseen occurs, our boys are bound and determined to give Coachella a sound thrashing when next they meet.

The lineups were as follows: Palm Springs: 5-Smith, F; 3-Peterson, F; 7-Metzendorf, C; 0-Brummitt, G; 5-Jurado, G; 0-Lienau, G; 0-Devers, F; 4-Emerson, F; 2-Benson, F; 0-Bell, F; and 0-Moseley, G. Coachella: 13-Jenkins, F; 4-Payne, F; 1-

McGee, C; 4-Duncan, G; 1-Keene, G; and 7-Jesson, G.

### PAPOOSES LOSE

The papooses were also squeezed out by the narrow margin of 26 to 25, with Flynn and Hernandez sharing top honors with 8 points each. Art Jones, new addition to the "B" squad, was held down by an upset solar-plexus. Murphy and Anderson sparked Arabs attack with 9 and 7 points, respectively. The half ended 15 to 16, in favor of Palm Springs, but coming back in the third period their change of defense failed to hold up under the fast ball-handling of the green and yellow, who tossed in 7 more points. The last quarter saw the Indians take a new lease on life to sink several "swishers," but time was with the invaders who just barely added another victory to their so far undefeated season.

The lineups were as follows: Palm Springs: 0-A. Jones, F; 4-Asheley, F; 8-Flynn, C; 3-Wills, G; 8-Hernandez, G; 2-B. Jones, F; 0-McLearn, G; 0-Hines, F; and 0-Williams, G. Coachella: 7-Anderson, F; 5-Lambert, F; 9-Murphy, C; 0-Sherrod, G; 0-Rodriguez, G; and 5-Duncan, F.

Li. Comdr. and Mrs. H. V. Hutchings and Harold V. Hutchings, Jr. are enjoying the desert, occupying the J. N. Borrowings home here.

## Rehearsals Under Way for Musical Show on March 9

Rehearsals for "Harmony Hall," a two-act operetta to be presented by the Music department on March 9, at the Plaza theatre, are staged daily in the auditorium, Alexander Hammond announced. The Girls' Glee Club and Boys' Chorus, to be cast as the St. Cecilia Choir and Glee Club,

# With the Boys in the Service

## Veteran of Three Years Overseas on Vacation in Village

Distinguished visitor in Palm Springs this week, a guest at the Village Inn for ten days, was Chief Warrant Officer Henry Mueda of Riverside, veteran of three years and 36 days of overseas fighting on two fronts.

A week ago he was in the Philippines—and then his trip home for a rest via the air.

### HAS MANY MEDALS

He is entitled to wear the Purple Heart, three silver stars and a bronze star, indicative of 16 battles. One of his medals is just one step short of the congressional medal of honor, presented for outstanding heroism beyond the line of duty.

He was aboard two destroyers which were lost in the fighting in the Pacific war theater. In the Coral Sea battle he was in a life at two days before being picked up. In the other battle he was rescued immediately.

### BROTHERS LOST

Two of his brothers have been killed in action, one a navy flyer, the other on a submarine. His father is a naval officer.

Describing the ferocity of the battles in the Pacific he told of Tarawa where he with 49 other men, went ashore to act as spotters for the ship's guns. On landing they separated in groups of five. Only 26 got back to their ships. In his group the only man who lost his life was a close friend, Jack Tripp of Ontario.

### EAGER TO RETURN

CWO Mueda was wounded in the Bougainville invasion and was hospitalized for some time.

He also saw action off Cherbourg.

Despite his more than three years overseas and his experiences, he is eager to get back. After his vacation here, he will return to his ship.

## TORNEY GENERAL HOSPITAL EVENTS

News of the Enlisted Men of the Medical and Quartermaster Detachments at Torney Army General Hospital, Palm Springs

By Cpl. Vic Blanks

### CIVIE GIRLS TO ENTERTAIN WARD PATIENTS

Plans are being made through the Red Cross for active participation by all TGH Civilian Girls interested in visiting wards and chatting with our convalescing soldiers. Activities in which the girls are willing to take part include informal chats, playing records, sings, cards and games.

The present plan, according to Chairmen Gertrude Berthold, Quartermaster, and Rena Counts, Occupational Therapy, is to get up a rotating schedule of girls, divided into groups of five or ten. Each girl will visit a designated ward once during the week.

Musical background when needed can be well supplied by Luella Hikes, Post Engineers, who plays a mean "Squeeze-box," Helen Hoberrecht, Quartermaster, "A Kitten on the Keys," and Melba Welton, E-9, "The Voice of the Barracks 104," sweet singer of soothing songs. Girls having other talents will be discovered and used as time goes on.

### GIFT OF 'PLATTERS'

The post Special Services Officer, Lt. Joseph P. Bird, announced receipt of six sets of recordings this week, a gift of the American Legion national headquarters.

Each set of discs includes currently popular numbers, all-time standards, sacred music, and light classics. The records are available to all patients and personnel of the Command.

Special Services has distributed a record set each to the Red Cross for the recreation lounge, the Educational Reconditioning Branch for the music room, the Post Signal Office for the record library, and the enlisted men's day room.

### PUBLISHER SPEAKS

Manchester Boddy, editor and publisher of the Los Angeles Daily News, prominent columnist and world traveler was a guest speaker at two special programs in the auditorium Friday, January 19. Using as his subject, "What About Our War Objectives," Mr. Boddy addressed the ambulatory patients at 1300 and spoke at the Officers' Orientation Hour at 1530.

The editor, author of a widely-read daily column in his paper, was conducted on a tour of the hospital and interviewed several patients while here.

### FOR L. A. TRIPS

Want a ride into L. A. fellows? Stick around, it's quite likely that one can be had for you.

Lt. Earl Jung, Provost Marshal, has made arrangements with the American Legion Dugout in Palm Springs to contact Villagers who are driving into the big city The Dugout, in turn, notifies the Information Office of any such rides available—for you fellows.

All you have to do is to tell the folks at the Info Office what time your pass starts and when you'd like to leave. They'll "do their derndest" for you. And—incidentally — have a good time while you're there, but be sure to get back in time.

### DFC PRESENTED AIRMAN

1st Lt. Lyle A. Haas was presented the Distinguished Flying Cross for extraordinary achievement as a pilot of a B-17 in missions over Germany and German occupied territory by Col. A. B. Jones, Commanding Officer of this hospital, in a special ceremony.

mony in the Colonel's office here this week.

Lt. Haas, a member of the First Bombing Division, was injured by flak on his 25th mission while flying as a lead pilot in a combat wing and came to Torney for hospitalization. Previously his outfit had been awarded a unit citation and he had received the Purple Heart. The lieutenant's wife and two daughters are residents of Tule Lake, Calif. He left here his week for duty at Hamilton Field, Calif.

### "SEND" LADS HERE

Last Tuesday the patients in the noon hour orientation class were treated to a real surprise when Kato King, chanteuse extraordinaire, warbled sweetly to the tilting accompaniment of Leo, our gerrenial piano pounder from the Colonial House.

Miss King who out-Hildas Hildagarde created a small earthquake with her rendition of "Nobody Makes a Pass at Me" and "Archie's So Refined." And her version of "I Said No" is the finest these tired, old ears have ever heard. Following the show she carried her infectious personality to the wards where she had the traction boys literally hanging on the ropes.

Leo's wonderful music rounded out the well-rounded program.

## Air Base Artist Hears Sketches to Be in Colliers

Staff Sergeant Leonard Besser, former commercial artist, is one of the happiest GIs this week at the 21st Ferrying, Palm Springs Army Air Field.

While stationed at Assam about 6 months ago, the sergeant was commissioned by Major Corey Ford, prominent writer, to do several illustrations for an article he was preparing for one of the leading national magazines.

Last week, S/Sgt. Besser received a letter from Major Ford informing him that five of his sketches will illustrate the article titled, "Somewhere I'll Find You," appearing in the Feb. 17 issue of Colliers.

"The editors of Colliers were very pleased with the sketches as I knew they would be," wrote Major Ford to S/Sgt. Besser.

## First WAC Given Captain's Bars at Torney Hospital

First member of the Women's Army Corps to receive her Captaincy at Torney General Hospital is Captain Violet M. Creech who has been stationed at Torney since mid-summer when she reported from Fort Douglas. Captain Creech who enlisted in July, 1942, was accepted in the first WAAC Officer Candidate Class, and was the 42nd WAAC Officer to receive her commission. After additional training at the Specialist School, Holabird Ordnance Motor Base, Baltimore, Md., Captain Creech was assigned at Ft. Des Moines, Iowa, as instructor in motor transport. Later she was transferred to the WAAC Training Center, Ruston, La., serving there as Motor Transportation Officer until the post was inactivated in July, 1943.

After a brief tour of duty at Ft. Devens, Mass., Lt. Creech reported to Ninth Service Command Headquarters where she remained until transferred to Torney where she has been serving as Transportation, Motor Pool, Ordnance and Signal Officer and Mileage Administrator. More recently she was also assigned as acting Commanding Officer of the WAC Detachment.

Before enlisting Captain Creech had been for seven years in personnel placement with the United States Employment Service in Houston and Galveston, Texas.

Pvt. Thelma D. McDaniel, Wac, daughter of E. W. McDaniel of San Gabriel and Palm Springs, has been assigned to the Pasco Engineering depot, Pasco, Wash., according to word from Fort Des Moines, Wac training center.

The good man's hope is laid far—far beyond the sway of tempests, or the furious sweep of mortal desolation. — H. K. White

## Veteran Flyer, Pioneer of Village Airports, Now With ATC, Visits in Village, Recalls Old Time Flying

Lt. Wesley Gray, well known Villager, now with the 6th Ferrying Group, ATC, was in Palm Springs briefly this week, stopping here enroute to the east with a big army plane.

Lt. Gray is a veteran flyer and when it is considered there are between 10 and 12 million licensed pilots in the nation today, the fact that he holds license No. 103, is remarkable. He was the second manager of the local airport. His brother, Earl, now of the Palm Springs hotel and Rainbow room, was the first manager. Earl Gray, by the way, holds the first license granted by Mexico.

### RECALLS OLD PORT

Lt. Gray recalled that in 1921, when his brother started an airport here, the run for the take-off started about where the Palm Springs hotel now stands, and the old Jenny of those days, began to lift its wheels off the ground about where Sunshine Court, The Desert Sun office, city hall, telephone office, fire and police station, now stand. Palm Canyon drive was just a dirt road that twisted and wound around rocks and desert foliage.

Lt. Gray, a noted stunt flyer of the old days, who barnstormed with old-model 'crates' throughout the west, was welcomed into the Air Transport Command three years ago and commissioned a first lieutenant.

wing. This will increase the bed capacity from 26 to 50.

**THROUGHOUT YEAR**

Careful attention has been given to the orientation of the various departments so that all equipment, every bed and each hospital unit may be operated with a minimum staff at minimum cost.

"The Palm Springs Community Hospital will function throughout the entire year," said Mr. Boyd. "Realizing that the summer months will not call for full capacity, due to population trends, the architects have planned a unique arrangement that will be warmly approved. This is the Unit Room Plan, which makes it possible to close off any room or department when a vacancy occurs, thus reducing at once the cost of operation and maintenance."

"The same unit system applies to the heating and air-cooling controls."

"The Palm Springs Community Hospital is planned for you. Its purpose is to give to this community a fundamental need without which Palm Springs cannot maintain the high standards of living for which it is noted," Mr. Boyd continued.

**SOLICIT SUPPORT**

"The Board of Directors and all committee men and women, working toward the consummation of this much needed project, urgently solicit your full cooperation and support."

The site for the hospital, a five-acre tract conveniently located, has been presented to the hospital by Mr. and Mrs. John W. Williams. Harry T. Williams and Albert Frey, local architects, designed the buildings with Dr. L. M. Wilbur of Cathedral City as consultant.

The Palm Springs Community Hospital is a non-profit corporation organized to erect and operate an accredited hospital here with facilities available to all reputable physicians and surgeons licensed by the state.

**Council Approves  
Recommendations  
Of City Planners**

Public heading on four recommendations of the city planning commission was held Wednesday at 8:15 p. m. before city council and three matters were quickly settled.

First considered was a change in zoning on the north side of West Amado road. Austin G. McManus appeared at the hearing and declared he would have no protest if the change applied to both sides of the street. A motion to refer the matter back to the planning commission with this recommendation was carried.

**NO NEW PUMPS**

No protests were heard on a proposition to change the zoning laws barring future gasoline stations and garages from Palm Canyon drive and this recommendation was adopted by council.

Recommendation of planners that zoning laws on Arenas road be changed to permit multiple family dwellings also went unopposed and was approved by council.

The fourth recommendation brought forth a long discussion, not of the recommendation, but of the offer of the owner of the property involved to deed 30 feet on the westerly edge for street purposes.

**DISCUSS STREETS**

Discussion of streets in the southeastern portion of the city followed and it was finally moved that the recommendation of the planners to zone unclassified land east of the Deep Well ranch for guest ranch purposes be approved. The motion carried a provision that if, within a year, property owners west of the 30-foot strip did not take similar action to provide for a 60-foot street, the deeded land revert back to the donor. The motion carried.

**County Posts to  
Meet at Banning**

Commander Gordon Feekings and members of the Owen B. Coffman Post, American Legion, were laying plans today to attend the meeting of the Riverside county council of the American Legion to be held at Banning next Thursday, Feb. 1.

The Banning Post will be host and the Auxiliary of Banning will prepare and serve the dinner.

A large attendance is anticipated.

obtaining the best possible for the Village.

Officers and directors of the Palm Springs Community Hospital are:

Florian G. Boyd, president; Ernest Alschuler, vice-president; Mrs. Blanche Turonnet, vice-president; C. J. Burket, secretary, and F. G. Ingram, treasurer.

Mrs. Caroline Hicks, Mrs. Nellie Coffman, Francis F. Crocker, Miss Katherine Finchy, Mayor E. E. Theriault, Alvin Weingarten, Mrs. Alice Guthrie, Mrs. Thos. A. Lipps, Mrs. Virginia Farrell, Harry Klonick, Refugio Salazar, Harry Williams, Emil Wagner.

Harold West, W. R. Hillery, Lloyd Simon, Henry Weinberger, Mrs. Ruth Hardy, William Dean, Mrs. A. G. McManus, Raymond R. Wilson, Earl T. Gray, Robert Ransom, Culver Nichols, Arthur E. Bailey.

Mr. Alschuler asked Villagers to watch the press for announcements of events and developments in the campaign for the \$200,000 fund.

**AT THE PLAZA**—Humphrey Bogart, the screen's most masculine he-man meets the year's sexiest feminine discovery, Lauren Bacall, in "To Have And Have Not," at the Plaza, Jan. 26 through 29.

**MORE ABOUT . . .****War Prisoners . . .**

fight against a far outnumbered enemy. During the march, which for these two officers lasted three days, no food was provided and the only water was what they could get from dirty puddles along the route.

**STORIES ARE TRUE**

"The Japs claim they gave us the regular Jap army rations. But that was not true. We got the rice alright, but that was all. The Japs get, in addition to rice, lots of fish and such meat as pork and their diet is supplemented by prepared vitamins," related Capt. Steinhäuser. "All the American people hear about the Jap cruelty is perfectly true. At one time my weight went down to 110 pounds from a normal weight of 190. Now I weigh about 185 pounds," he continued. The officer, who is a very tall chap, still gives the appearance of being underweight.

Capt. Steinhäuser and Lt. Johnson were part of a group of 750 prisoners moved in the early summer of 1944 to the southern island of Mindanao to build an airfield for the Japs. Upon completion of this task the prisoners were herded on a ship, which was part of a Jap convoy presumed to be sailing for Formosa or some other northern destination. All were loaded in two holds of the ship for a week before sailing, and were packed in so tightly they nearly suffocated. "We had absolutely no sanitary facilities and the voyage was horrible," the captain said.

**SHOT IN WATER**

It was during this trip that the ship was struck with a torpedo and the surviving prisoners went over the side. The Japs tried to prevent their escape and shot many even after they were in the water.

To continue, this gruesome experience is clearer when put in the words of Capt. Steinhäuser, one of a very few who survived. "Two of us managed to hold on to a plank. We were not in very good shape, and the tide was against us, so it took nearly seven hours to reach shore, which was only about three miles away. We were more dead than alive when picked up by Filipino guerrillas and taken to their headquarters. When we were finally collected, there were 83 of us out of the hundreds who were aboard the ship."

**PRAISE FILIPINOS**

The two officers, like everyone in the surviving party, have the highest praise for their brown-skinned friends. Although the Filipinos are very poor from the treatment rendered them since the Japs took over their home islands, they shared their meager quantities of food and what little medicine they still had.

Several weeks later an American submarine came into the secluded spot and removed the 83 survivors to an unannounced airfield, from where they were flown to Australia. Most of the group were given immediate hospitalization for wounds acquired during the escape and from the diseases brought on by malnutrition. The officers claimed it would be a safe estimate to say 70 percent of the captured had died in prison camps over there because of malnutrition and outright starvation.

After regaining their strength in the Australian hospitals, Johnson and Steinhäuser were returned to this country in November of last year. They were taken to Washington, D. C., where they gave a complete report of their experiences and were greeted by the secretary and under-secretary of war, by Gen. Marshall and other high officials.

For the present the two officers are enjoying a well-earned 90 days leave, and will report for duty in Santa Monica on March 1. Capt. Steinhäuser, whose home is Seaside, Oregon, was married to the former Nancy C. Smith, of Defiance, Ohio, and Los Angeles. The wedding took place since the officer returned to this country.

**MORE ABOUT . . .****Flood Control Zone**

ty Flood Control and Water conservation district.

The flood control advisory committee, which had been considering the county-wide district for months, Friday after the eastern desert areas had renewed their opposition, authorized County Counsel Earl Redwine to draw up an act creating the flood control district with the eastern end of the county eliminated.

**SENT TO SACRAMENTO**

Copies of the act as finally drawn up by Redwine and approved by the advisory committee, will be sent to State Senator Nelson Dilworth and Assemblyman Philip L. Boyd for submission to the state legislature.

Redwine appeared before the county supervisors Monday to report on last Friday's decision and the board set next Monday for a hearing on details of the new set-up.

**The new zones are:**

Zone 1—Riverside, Highgrove, West Riverside, Mira Loma, La Sierra Heights, Home Gardens.

Zone 2—Corona, Eastvale, Norco, Alhambra.

Zone 3—Elsinore, Murietta, Temecula, Cahuilla, Anza.

Zone 4—Hemet, San Jacinto, Perris, Moreno valley.

Zone 5—Banning, Beaumont.

Zone 6—Palm Springs, Cathedral City, Garnet, Desert Hot Springs, Whitewater.

**Registration for  
Blood Bank Closes**

Registration for the Feb. 5 visit of the Mobile Blood Bank unit to Riverside has been closed and while Mrs. Madge Holderman, public health nurse, has not yet checked the figures, many Villagers will make the trip to donate blood, badly needed at the fighting fronts.

The unit, manned by the Red Cross, makes periodical visits to Riverside.

**MORE ABOUT . . .****March of Dimes . . .**

wheelchair for one girl, a walker for a little six-year-old boy and sundry braces, etc. Not any of the money collected is paid out for overhead or paid secretaries. The total expense in the past two years for putting on the campaign was \$108.57. This was for postage, stationery, printing, etc. All money collected is used for the benefit of Infantile Paralysis victims.

**PLAN SPECIAL EVENTS**

Many special events are planned to aid in putting over the local drive.

A special dance Tuesday night, at the Palm Springs Roller Rink, is planned as a benefit to the local fund. Mrs. Burket urges all Villagers to attend and help in the campaign which has always been a great success here.

Tongues in trees, books in the running brooks,  
Sermons in stones, and good in everything. — Shakespeare

Lt. Johnson was married before being sent to the Philippines, and has two children. The latter couple resides in Inglewood.

**PRAISE FOR HOME FRONT**

Mr. Coffman, whose generosity has been extended to many war heroes since the conflict began, had the two officers as his guests at last week's Lions club meeting and on Saturday he and Mrs. Coffman were hosts to the two couples at the Saturday dinner dance at the Desert Inn.

Both of the prison camp veterans are extravagant in their praise of all the fine people who have been so kind to them—from the natives in that lonely port on the Philippines shore right back here to their own countrymen in the States and in Palm Springs. Each of the officers wears the Purple Heart, three Oak Leaf Clusters, special unit citation from the president, and three stars denoting major engagements.

**Murray Planning  
New Restaurant in  
El Dorado Hotel**

Frank Murray of the Escadrille cafe, West Amado road, appeared before city council Wednesday to ask their attitude on a proposed transfer of all of his liquor licenses at the Escadrille to a new location in the El Dorado hotel building.

Mr. Murray said that he planned to conduct a restaurant in the El Dorado, owned by W. E. Dunn, and wanted to get the council's reaction to the proposal. Mr. Dunn was present at the session.

**PROCEDURE TOLD**

Mayor E. E. Theriault said that the council could not give him definite information, that the procedure would be to apply to the state board of equalization, and that they would notify the city of the request. Then, the mayor said, the council would decide whether to protest.

Mr. Murray was informed that, since the new location is in a zone allowing such on-sale licenses, and that since it was merely a transfer, any protest the city might make would probably be refused.

**FOLLOWS DECISION**

State Attorney General Robert W. Kenny recently upheld City Attorney Roy W. Colegate's contention that local zoning laws superseded state board rulings and therefore, since the Escadrille is located in a zone where liquor sales are barred, the state board's grant of a license there was invalid.

Mr. Murray now plans to keep only a beer license at the Escadrille, this being allowed, and transfer his other licenses to the El Dorado location where they are not in conflict with city zoning laws.

The great and the little have need of one another.

## Mutual Protection Plan Presented For City's Study

Cooperation of the city in a state-wide mutual police protection plan, asked by the state war council and brought before city council Wednesday, was referred to City Attorney Roy W. Colegate for study.

City Manager Ray M. Sorum, who introduced the measure, told councilmen that in case of an emergency here, peace officers from other cities would be subject to call for assistance and similarly, local police would be subject to call to neighboring cities.

The measure provides that no city be asked to deplete its own protective forces to aid another city. Mr. Sorum said he had studied the measure and believed that it was a good one. Many other cities in California have adopted the mutual protective measure, he said.

## Four to Attend League Meeting

City Manager Ray M. Sorum, Mayor E. E. Theriault, Councilmen Maurice McCann and Armand Turonnet plan to go to Ontario tonight to attend a meeting of the Citrus Belt division of the league of municipalities at the Casa Blanca hotel in that city.

Invitation from City Manager Neil Smith of Ontario to attend the event was read at city council meeting Wednesday.

## Village Businessman

This week the dial put the finger on Ted Reed, native of Woodstock, Vt., of pioneer parentage. . . Graduate of Phillips-Exeter and almost of Northeastern University, Boston, but illness cut him down before he reached his engineering degree. . . Went from a good job to become a Signal Corps member in World War I. . . Later transferred to aviation and became a pilot. . . After the war, became affiliated with Raymond and Whotcomb company, travel agency, and as their representative, covered both Americas, the adjacent islands and Norway and Sweden.

Having seen California on one of these tours he decided to live here and brought his wife to San Francisco. Son Ted, Jr., was born there. . . There he became interested in men's sportswear and operated a swank shop at Monterey. Son Donald was born in Monterey. He's now in Palm Springs high. . . Hit by the depression, he went to Hollywood, played bit parts in the movies and got along O. K. until illness of Don brought the family to Palm Springs.

He became affiliated with Desmonds here and during the summer months kept his desert tan by going to Laguna Beach. . . with the family, of course. . . In September, 1941, the twins, Peter and Joan were born. In 1943, Ted, although with regret at leaving Desmonds, decided on a business of his own and acquired Reed's Radio shop where he purveys disks from sweet to hot, from classical to jazz, along with radio work. . . Joy at having his own shop was suddenly wrecked when Mrs. Reed, after a brief illness, succumbed just a year ago. . .

Before coming to Palm Springs his hobbies used to be golf, tennis, fishing and flying. . . Now he devotes himself to horse-back riding and is prominent in Los Compadres club. . . He says he's not much on the social life but you should see him at Lions Club dances and on pack trips

## El Chico Granted Permit for Dances

Dance permit was granted Wednesday night by city council to Harvey Guevara of the El Chico, formerly Don Carlos' Twin Palms cafe.

Guevara will consult City Manager Ray M. Sorum for details of the provisions of the permit.

## Torney Hospital Needs 100 Workers To Aid Casualties

Return of an ever increasing number of battle casualties to Torney General Hospital, Palm Springs, has necessitated an active campaign to recruit approximately 100 additional civilian employee for work in wards, clinics, mess halls and offices, according to hospital officials.

So that soldiers who have lived and fought under grueling conditions for many months may have the advantage of hospitalization which is adequate in all respects the hospital is now anxious to employ civilian nurses who are not in essential war work and can not qualify for acceptance in the Army Nurse Corps.

### NEED IS PRESSING

Graduate Red Cross Nurse's Aides who wish to accept full or part time employment with civil service status are also asked to contact the hospital.

Other employees for whom a pressing need exists are x-ray and laboratory technicians, medical stenographers, stenographers, clerk typists, mess and ward attendants. Qualifications for the latter are good health and willingness to cooperate with Medical Officers and nurses. Clerk typists must type at least 35 words a minute, while a typing speed of 50-75 words, and dictation ranging from 80-100 words is required of stenographers.

### MEALS AND HOUSING

Persons with physical handicaps which will not prevent them from satisfactory performance of duties are invited to apply.

The Hospital provides housing and excellent meals at a nominal cost and a Club House is maintained for the use of all civilian employees. A special bus is operated for workers who commute from Banning and Beaumont.

Local residents possessing qualifications for any of the positions now waiting to be filled are asked to apply in person, by letter or telephone to the Office of Civilian Personnel, Torney General Hospital, Palm Springs. If applying by phone, call Palm Springs 2211, Extension 127 or 112.

For Essential Transportation—U-Drive Cars, Phone 4444.

## Air Field Officer To Address Local Masons Next Week

Palm Springs Masonic club will hold its regular monthly luncheon next Tuesday noon, at the Desert Inn, and have invited all Village and visiting Masons to attend. The guest speaker will be Col. Perry Griffiths, executive officer at March Field, who will give a talk on the activities of the great air base.

Owing to existing conditions and the large number attending these luncheons, it is pointed out that all reservations must be made in advance and Masons desiring to attend should telephone and send check for \$1.50 (Service men \$1.25) to John Archibald, secretary-treasurer, at the Palm Springs Drug store.

A letter from William Allen and George Lutz, architects, to confer with city council on post-war development and a civic building program, was placed on file by the latter Wednesday.

For Essential Transportation—Yellow Cabs, Phone 4444.

## Jan Garber Here On Blue Network U. S. Broadcast

Palm Springs got on the air last night over radio KECA when Jan Garber and his band were featured on the Coca Cola company's "Victory Parade of Spotlight Bands."

Thursday night's Spotlight band salute was to the officers and men at Torney General Hospital and the broadcast will be from Torney.

Debby Claire, featured songstress, was one of the entertainers with the Garber band. The show went out to 173 stations of the blue network, spotlighting the hospital, its personnel and its activities.

## Chi Chi Loading Zone, Plea Heard

Request of Irwin Schumann for a white loading zone before his Chi Chi cafe and lounge was referred Wednesday by city council to the Public Safety committee and City Manager Ray Sorum.

Mr. Schumann wrote council that such a zone would remove 200 cars nightly from Palm Canyon drive parking spots.

PALM SPRINGS, CALIF.  
Friday, January 26, 1945

The Desert Sun—9

## Story of Fighting On Two Fronts Told Legion by Veteran

Chief Warrant Officer Henry Mueda, back from three years and 36 days of service in the Pacific and in French waters was the principal speaker at Tuesday night's meeting of the American Legion over which Commander Gordon Feekings presided.

CWO Mueda told of happenings on both fronts, particularly on the Pacific front where he spent much time and where he was twice rescued from destroyers which were sunk.

He was wounded at Bougainville but escaped unscathed at the Tarawa battle where almost half of the contingent sent ashore ahead of the main waves to spot artillery fire, was left behind.

Routine business occupied the remainder of the meeting.

An American actress told a judge she was unable to live on 10,000 pounds a year. Most of us can say the same.—Punch.

## Many Outside Guests Attend Dinner Dance Saturday Night at Desert Inn; Los Angeles Editor Guest for Week

Desert Inn's Saturday evening dinner dance, always one of the top social functions in this Village, drew numerous outside guests. One of the largest parties included members of Beta Lambda Mu sorority and their escorts. The group, who traveled here from Banning for the festive evening engagement, occupied a large table for their party of 30.

### Woman's Club Chatter

By M. B.

Minnie Smith out shopping for a furnace for her Banning home, from the looks of Mt. San Jacinto's "other side" she'll probably need it.

All Palm Springs talking about the grand job Effie Banks did collecting funds for the Torney boys Christmas gifts.

Moya Henderson fixing up a grand Prom for our nice High School Lads and Lassies at our Club House.

Ethel Whitehorn now helping on the publicity end for the Palm Springs Community Hospital, and can that 'gal' write?

Mary DuBose back at her job at the Red Cross after spending the holidays with her family in Arizona and El Centro.

Dorothy Boyd and Caroline Hicks were snowbound this week end in Idyllwild with thirteen youngsters. Such fun!!!

### Thirty Brownies Guests at Merry Afternoon Party

Thirty Brownies, members of Troop One, Palm Springs Girl Scouts, were entertained recently at a party at the home of Mrs. B. H. Poliak, 476 West Barristo road with Mrs. G. C. Sheahan and Mrs. Ralph Smith assisting her.

Cakes, cookies and ice cream were served after a merry party.

Present were: Libby Boyd, Juanita Griffin, Lois Brun, Gail Hicks, Jean Hicks, Sandra McDonald, Barbara Moore, Aileen Sheahan, Jean Fouché, Delia Perez, Carol Cameron, Barbara Chinn, Gloria Coffendoffer, Billie Dimond, Shirley Doyle, Mary French, Barbara Leeds, Marlene Matchnor, Priscilla Patencio, Beverly Patencio, Roberta Poliak, Eleanor Purcell, Rhoda Raechekson, Victoria Sandoval, Merna Satlitz, Penney Sperry, Darlyn Posey, Beverly Didrickson.

Irvin Matloff, local photographer, celebrated his 41st birthday, Wednesday and in honor of the occasion, there was a dinner party at the Chi Chi that night. Mr. Matloff's sister, Blanche Waserman, and members of the family were guests.

For Essential Transportation—  
U-Drive Cars. Phone 4444.

Manchester Boddy, editor of Los Angeles Daily News and famous radio commentator, with Mrs. Boddy were hosts to Dr. and Mrs. Harvey Fearn, who are visiting here from their home in Bozeman, Montana. The host and Dr. Fearn attended college together, and have been friends for these many years. The Boddys, who have been guests at Desert Inn for a week's stay, left Palm Springs early this week.

### ARTIST IS GUEST

Friday evening, Mrs. Elizabeth Adams invited a group to dine at her table. In the party were James Swinnerton, one of Palm Springs' favorite pastel artists, who was visiting here with Mrs. Swinnerton; Dr. and Mrs. Carroll, of Los Angeles; Mrs. Marie Glover, and the George Robertsons.

Brig. Gen. and Mrs. William Ord Ryan, of San Francisco, are having a winter rest at the Inn until late this month. Also staying through January are Dr. and Mrs. C. C. Moore, who arrived in the southland from their home in Portland, Ore. Mr. and Mrs. E. R. Gay traveled across the continent to this desert resort for a two week's vacation, and have chosen fashionable Desert Inn as their destination.

### TAKES REST HERE

Having a well deserved holiday from his war responsibilities by stopping a few days at Desert Inn was Comdr. E. E. Vielle, of the British Air Force. Accompanying the English officer here was W. J. Richards, both now are from Washington, D. C.

Mr. and Mrs. August Lincoln arrived this week from Philadelphia. The two, who will be here the rest of this month, have exchanged the east's snow scenery for a taste of California's warm sunshine. Also here from a cold section are Mr. and Mrs. C. H. Woodin, of Yakima, Wash., who have plans to remain for a desert vacation until the end of February.

### FROM LOS ANGELES

Weekend guests down from Los Angeles included Mr. and Mrs. Ray W. Smith, Mr. and Mrs. Ward R. Hickok and Judy, Mr. and Mrs. J. A. Hartley, Mr. and Mrs. Don E. Gilman, Mr. and Mrs. Archie Vance, and others. Mr. and Mrs. R. W. McBurney closed their Los Altos apartment for three days to so-journ at Desert Inn.

Among guests here from the coast cities are five from San Marino, who are occupying a cottage together. They include Mrs. M. F. Kellow, Mrs. Clark Cornell, Mrs. A. Caughlin and Mr. and Mrs. J. H. Cornell. This party will stay until Jan. 26, which will complete a ten day vacation on the desert. Also here from San Marino, but for a shorter stay, are Mr. and Mrs. A. F. Heinze. Mrs. Frank Hoover accompanied by Mrs. E. F. Nance, West Los Angeles, had a sojourn in the sunshine this week Mr. Hoover came down to take the two back to town.

### Diplomats' Aide Visitor in Village

Robert Wilson, former secretary to the American Ambassador at La Paz, Bolivia, was a guest this week of Mr. and Mrs. Armand Turonnet who met him in South America.

Mr. Wilson visited in Iowa and in Phoenix en route west from the Atlantic coast. After his visit in Palm Springs he went to Los Angeles and from there will go to his new post as secretary to the United States ambassador to San Salvador, Central America.

They joys of heaven will begin as soon as we attain the character of heaven and do its duties.

## Famous Pianist To Appear Feb. 5 At Woman's Club

BY MARTHA FORWARD

Kato Mendelssohn, a full-fledged artist who rightly belongs in the front ranks of concert pianists, will be presented in a piano recital at the Palm Springs Woman's Club, 314 South Cahuilla Road, on Monday afternoon, February 5, at 2:30 o'clock.

At twenty, Miss Mendelssohn is already a mature artist, capable of bearing with distinction the name of her great, great grandfather, Felix Mendelssohn, the beloved composer. Hers is a remarkable background in which training, experience and musical heritage play roles of equal importance.

### LONG ON STAGE

Born in Budapest, she has appeared on the concert platforms of Europe since she was six. At the age of eight, under the commission of Dr. Ernest Dohnanyi, she was unanimously accepted by the Board of Directors of the Franz Liszt Royal Hungarian Academy of Music. Ten years of intensive study at this academy completed the thorough training which her playing today reveals. Highest ranking in a class of fifty, she finished her course of study and received the Royal Academy Artist's School Diploma. Appearing as concert artist, orchestra guest soloist and radio artist, she rapidly established her position as a musician of the first order. When but a year out of the Academy, she was presented with the Franz Liszt Award, an honor conferred annually by the State on the most outstanding young musician of the country. Her appearance in concert with the Budapest Orchestra playing the Liszt piano concerto, shortly before leaving for America, was a climaxing tribute to her ability.

### OUTSTANDING EVENT

Her debut recital, when she had been in the city of Los Angeles but six months, was recognized as an outstanding musical event. Playing before a distinguished audience of thirteen hundred which filled the auditorium to capacity, she held them spellbound by the beauty and perfection of her performance and was acclaimed as among the really great pianists of the present day. The critics, unanimous in their praise, spoke of her "tremendous technical equipment" and the "freshness and romantic imagery that have long since evaporated from the stereotyped programs of the older artists." Other concerts were demanded and readily followed. Now she is appearing constantly, and her own unaffected naturalness and charm, as well as the beauty of her music, are daily gaining new admirers for her.

### AMONG LEADERS

As one of her critics said, "She is ready in all respects to take her place among the leading feminine pianists of the present generation."

Non-members are cordially invited to attend this program. The price of admission will be \$1.20.

Mrs. Channing Wells will be hostess for the tea hour which follows the program. She will be assisted by Mrs. Clyde N. White, Mrs. Jesse Ives, Mrs. Walter Illick, Mrs. Bessie Curry, Mrs. Earl Coffman and Mrs. Ernest Garland.

### A. A. Zangerles Return for Season

Mr. and Mrs. A. A. Zangerles, winter residents here for many years, returned from their home in Chicago this week to remain for the rest of the season.

With them came their niece, Miss Ruth Zangerles, also of Chicago, and Miss Arlene Hoier of Glencoe, Ill.

## March of Dimes Party to be Gala Affair at Torney

A gala March of Dimes party which is scheduled to be a veritable Monte Carlo night, with all proceeds going into the Torney General Hospital contribution to the national infantile paralysis fund, will be held in the Coral Room at the hospital Saturday night.

1st Lt. Joseph Bird, Special Services Officer who is in charge of the affair announces that dancing and games will be featured as entertainment. A buffet supper will be served.

Assisting Lt. Bird on arrangements are Captain Ralph Hendrix and Warrant Officer John Stoughton.

## Weinbergers Again Prove Old Village Saying

Proving again that once here, they always come back is the news that this week Mr. and Mrs. Henry Weinberger, former prominent Villagers, are house guests of Mr. and Mrs. Ernest Alschuler. It is the first time Mr. and Mrs. Weinberger have been house guests here. They have always owned a home here and were regular winter visitors. Last fall they sold their home and moved to the Beverly-Wilshire in Beverly Hills.

But they couldn't stay away (who can) and, after being hosts themselves for many years to scores, are guests this time. Mr. Weinberger gained much fame here by his terrific bond-selling, playing a big role in all bond campaigns, sometimes selling more than half of the quota single-handed.

Also guests of Mr. and Mrs. Alschuler are Mrs. Helen Best of Sault Ste. Marie, Canada, and Emmie Spiesman of Chicago, the latter owner of a large private hospital in the midwest.

### Long Beach Visitors At Village Home

Mr. and Mrs. Ralph Gallagher and their charming daughter, Beverly, were guests of Mrs. Florence Robinson at her home on Calle Ajo last weekend. Beverly was a much-appreciated guest at Saturday night's Dugout dance and also a charming hostess at the Dugout Sunday. She is secretary of Phil Sigma Gamma at Long Beach Polytechnic high.

### Major and Wife Hosts at Dinner

Major and Mrs. William D. Hinton, the former acting commander of the 21st Ferrying Group, local army air base pending appointment of a successor to Lt. Col. Frederick Foerster, recently transferred to a new post, were hosts at a dinner party at the Racquet club last week to Capt. and Mrs. Maurice Conn, Mrs. Ona Brown and Allan Richards.

William Crawford Moore, U. S. N. R., and his bride, the former Irene Taenzer, daughter of Mr. and Mrs. E. M. Taenzer of Los Angeles, are in the Village this week honeymooning. They were married last week in Westwood.

Mr. and Mrs. S. Pierce Taylor of Miami, Fla., are house guests of Miss Daisy Love of the Palm Springs Tennis club.

## Desert Hot Springs

Dr. W. H. Haig of Los Angeles was a visitor this week and was amazed at the many improvements here.

Mr. and Mrs. Fred Bone of Amarillo, Texas, are visitors in Desert Hot Springs.

The Yager Construction company of Riverside has a crew of men busy grading and paving Desert Hot Springs streets and roads.

Jerry Lambert, well known chef, formerly with the Del Tahquitz hotel and Colonial House of Palm Springs, is now associated with Murry Moorehead at Murry's place in Desert Hot Springs.

## Delightful Party At Harry Klonick's Honors Guests

Mr. and Mrs. Harry Klonick were hosts Wednesday at a delightful cocktail party given in honor of Mr. and Mrs. Henry Weinberger, of Palm Springs and Beverly Hills, Mrs. Helen Best of Sault Ste. Marie, Canada, and Mrs. Emmie Spiesman of Chicago, all house guests of Mr. and Mrs. Ernest Alschuler and for Dorothy Gray and Gabe Barnett, whose engagement was recently announced.

Included on the guest list were Col. and Mrs. A. B. Jones and their charming niece, Miss Kathryn Jones, Major and Mrs. Gordon Witter, Major Dreyfuss, Captain and Mrs. Ned Levine, Captain and Mrs. David Daniels, Mr. and Mrs. Weinberger, Mrs. Best, Mrs. Spiesman, Lester Alschuler, Mr. and Mrs. Michael Birnkrant, Mr. and Mrs. Fred Ingram, Mr. and Mrs. Max Van Cleef, Dr. and Mrs. H. M. F. Behneman, Mr. and Mrs. Ed McCoubry, Mr. and Mrs. Milton Joseph, Mrs. Emily Joseph, Mrs. Lou Cohen, Nancy Hawthorne, Mrs. Louisa Rumble, Mr. and Mrs. Lloyd Simons, Mr. and Mrs. John DeVine, Mr. and Mrs. Murray Rosenberg, Mr. and Mrs. Stanley Rosin, Mr. and Mrs. Harry Dart and daughter, Mrs. Moffat, Mr. and Mrs. Leo Bender, Mr. and Mrs. Jack Benton, the latter of La Quinta.

Assisting the hosts were Messdames Weinberger, Alschuler, Daniels and Birnkrant.

## Dorothy Gray, Gabe Barnett, to Wed on Sunday

Dorothy Gray, well known and popular Villager, will become the bride next Sunday afternoon of Gabe Barnett at a ceremony performed at the Racquet club. A reception for 200 guests will follow the ceremony.

Miss Gray, whose home has been here for many years, is associated with Desmonds Palm Springs. Mr. Barnett is owner of a film service bearing his name and lives in Los Angeles.

### Reciprocity Tea To be Held Jan. 31

Members of the P. E. O. society now in Palm Springs were reminded today of the Reciprocity Tea to be held Wednesday afternoon at 2:30 o'clock at the home of Mrs. Fay Brainard, 1660 Alta Vista drive in Little Tuscany.

All P. E. O. members are invited and are asked to telephone Mrs. John Sprague, 5611, for reservations.

### Annual Silver Tea Planned Feb. 13

Annual Silver Tea of St. Paul's in the Desert, Episcopal church, Guild, will be held on Feb. 13 at 3 p. m., it was announced today.

The tea will be held at the home of Mrs. John Lapp at Rock Point and the public is invited to attend.

## Swarm of Golfers at O'Donnell Course Brings About New Rules Governing Daily Play; All Players Asked to Check In for Starting Time as Number on Course to be Limited

Suggest Foursomes To Enable More to Play at Same Time

BY FOLLOW-THRU

Owing to the large amount of play on the O'Donnell Golf Course, it has become necessary to make certain rules in order to accommodate the winter guests as well as to take care of the season ticket holders.

We have adopted the same rules that we follow during the crowded tournament play; namely, we will allow only sixty golfers on the course each morning and it is necessary that each player procure a starting time.

SUGGESTS FOURSOMES

Pat Martin, the starter, requests only foursomes play. Any incomplete four-some should see Pat on the first tee and he will arrange your game.

Each morning after the sixty players have teed off, the course will be closed for two hours and during this time no daily tickets can be purchased. In this way the players will enjoy their game and can complete the eighteen holes within three and one-half hours.

HUNDRED PER DAY

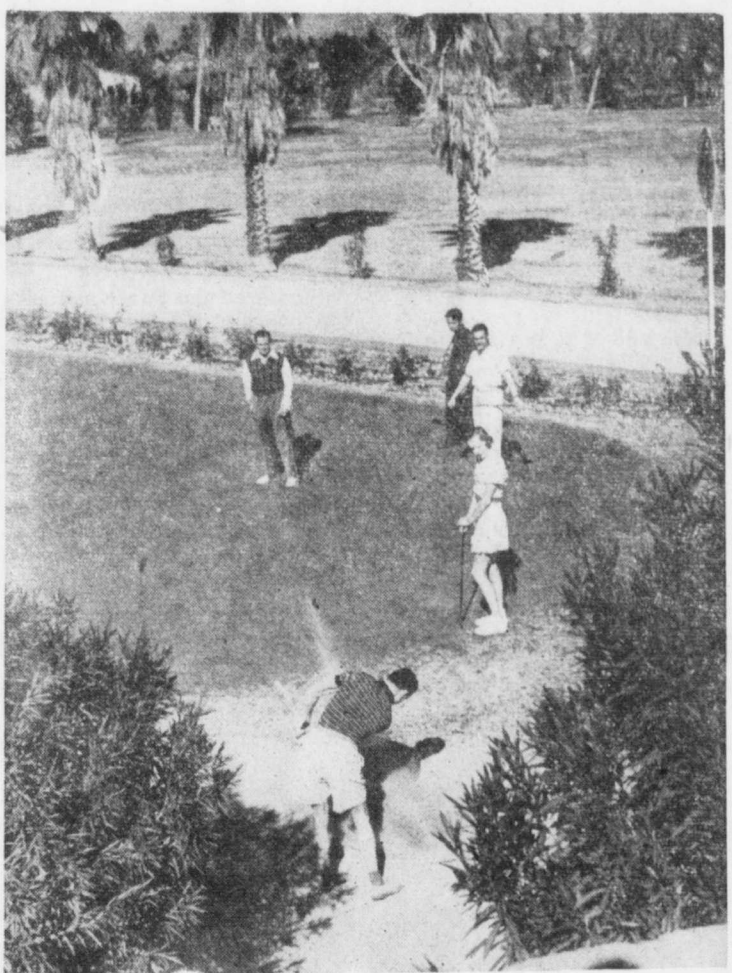

Beginning at one-thirty the course will be open to afternoon golfers and we expect to conveniently accommodate then another forty players; this will make a total of approximately a hundred a day.

Do not be disappointed if you are not able to arrange a morning starting time — many enjoyable rounds can be played during the afternoon.

RULES LISTED

In order to speed up play on holes number four and seven, please step aside and motion the following golfers to drive off. We find from experience that this saves fifteen minutes a round.

Owing to the terrific beating our desert course is taking, a hundred players over it twice daily and equal to two hundred rounds, it is necessary to ask players that they "must" keep Kaddie Karts off the greens. Imagine that amount of play on your own home course where conditions for making greens are considerably better.

BLASTING—A player on the O'Donnell golf course blasts out of the trap at the fourth green. The beautiful course will be the scene of the Tenth Annual Palm Springs Invitational tourney next month.

### Santa Ana Five Noses Out Stars

Santa Ana Air Base five nosed out the 21st Ferrying Group, ATC, Stars in a speedy basketball game, 44 to 42 before a capacity crowd at the post gymnasium Friday night.

Santa Ana took an early lead but the local boys pulled up close at half time and in the second half drew along side and with two minutes to go, were all even at 42-42. Twelve seconds before the final gun, Santa Ana's Haupt rung one for the two points which spelled victory for his team.

### Army Golfers Show Top Form

With qualifying rounds due to be completed January 29, interest in the Post Handicap Golf Tournament to be played at the O'Donnell Golf Course is mounting daily. The number of scores turned in being small indicates that heavy play is in prospect this weekend.

Capt. Jack Anderson, a fine stylist from the Bellaire Country Club, sparked the qualifiers with a brilliant 69 the past week. Other qualifiers the past few days were Capt. Conn with 83 blows, S/Sgt. English with 85, and Dennis Connell firing a 82.

### Six in Running For Net Honors

Six men were left in the play for the 21st Ferrying Group, Army Air base, tennis championship as two quarter final rounds were completed with two to go. The semi-finals are expected to be played next week.

Pvt. Bob Smith got into the semi-finals and will meet the winner of the Lt. Cannon-S/Sgt. Wright quarter-final match and Sgt. Bill Marvin, lower bracket semi-finalist, will meet the winner of the Wilson-Barker match.

Independent thought is the only true preparation for a proper study of thought of others. —Calderwood

## No Fishing Until May 1, Warning Of Game Warden

W. C. Blowett, game warden for this area for the state fish and game commission, was in Palm Springs this week to straighten out some misunderstandings on the fish and game laws.

He said complaints had been received that some soldiers and their wives, ignorant of the state regulations, had been taking trout from nearby streams. The season ended Oct. 31 and will not open until May 1.

"It sort of irks some of the local like Walters who are faithfully awaiting May 1 to see some people come out with fine strings. We recently planted many trout but they should stay there until the season starts.

"Seasonal licenses are now due. Of course, the men in uniform do not need them but that doesn't mean they can jump the season," he said.

He also said that some complaints had been received that white hunters had gone forth with Indians to shoot deer on Indian lands.

Indians have a right to shoot deer on their lands but white men must abide by the seasons. Any caught with deer or deer meat, not stamped, face strict penalties, he said.

## Field in Tenth Annual So Large It May be Split

The Palm Springs Invitational tournament to be played February 16, 17 and 18 is one of the most popular events in California golf.

The entries are coming in so fast that it may become necessary to split the field into two groups, that is, requesting local golfers to play on Wednesday and Thursday, thus giving visiting guests the chance to complete their rounds on Saturday and Sunday; all scores to count the same as though they were played on the same two days.

HANDSOME PRIZES

B. H. Shearer, tournament prize chairman, has promised desirable and attractive prizes for the winners.

As usual there is keen interest in the Calcutta Pool, which will be held in the lounge of the Desert Inn, Friday evening, February 16 at eight o'clock and Chairman Carl E. Haymond says that the tickets are going fast.

LEADING ENTRIES

So far, the leading entries are: Johnny Dawson, Los Angeles; Jack Gaines, three times winner of the desert championship; O. Sleppy, who was the leading amateur in the Los Angeles open last month; Sgt. Oliver, scratch golfer from Amarillo, Texas; Buck Weaver of baseball fame who took the trophy last year in our tournament; Warren Dawson, brother of Johnny and a three handicap player from Los Angeles; Carl Haymond of Tacoma, Washington who is one of Palm Springs top players and B. J. Bridgeford who won the senior event in 1944.

In addition to these players, there will be at least twenty golfers with a handicap of six or less, promising one of the most interesting events of the year.

### Bob Fern Joins Navy This Week

Bob Fern, a senior in Palm Springs high school, is in the Navy today.

Son of Mr. and Mrs. Homer B. Fern, he enlisted on Monday and yesterday, accompanied by his father, a pharmacist at the El Paseo Pharmacy, he went into Los Angeles to join and start his training. He is in boot camp today.

There is often as much independence is not being led, as in not being driven. —Tryon Edwards

## Pfc. Espinoza from Local Air Base Wins NSC Honors

Private First Class Amado Espinoza is the new lightweight boxing champion in the Ninth Service Command.

In the finals of this service command's annual tournament held Saturday, January 20, at Camp Beale, near San Francisco, Pfc. Espinoza, attached to the 21st Ferrying Group, Ferrying Division of the ATC, Army Air Base here, defeated Elton Spencer of Fort Lewis, Washington, in three slashing rounds which had the crowd on their feet throughout the bout.

BEST PERFORMANCE

The judges of the tournament in addition to declaring Espinoza the new lightweight champion in the Ninth Service Command for which he received a trophy, also declared that among all of the finalists, the First Class Private gave the best performance and was awarded a \$10 War Bond.

As a result of this fine showing on the part of the Ferrying Group soldier, he will be entered in the Golden Gloves Tournament which is to take place at the American Legion Stadium in Los Angeles, February 14, 15 and 16. His appearance in these forthcoming boxing matches marks the second appearance for this soldier. He lost the lightweight championship by a narrow margin in the last Golden Gloves exhibition.

EXPERIENCED FIGHTER

The fiery little fighter who hails from El Paso, Texas, is no green hand in amateur boxing tournaments. He has fought in several such matches. In winning the Ninth Service Command tournament in his weight, Espinoza gained a great deal of personal satisfaction. He had taken his defeat during the last "Gloves" match rather hard and felt that he had let his coach, Sgt. Joe Greenberg down rather badly.

Sgt. Greenberg on his return from Camp Beale, said that Espinoza displayed a strong fighter's heart and in winning the final match, he defeated a former professional.

"He is going to be hard to beat when he steps into the ring again in February," announced Sgt. Greenberg.

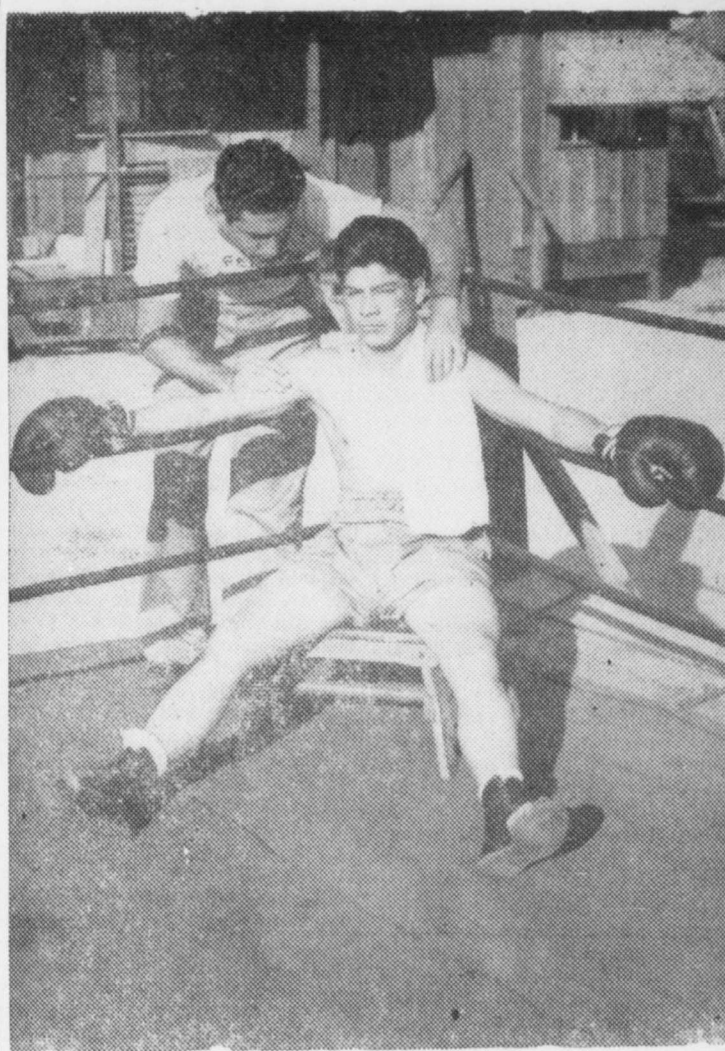

### Pharmacist Cox Village Visitor

Benjamin W. Cox, owner of the El Paseo Pharmacy, 800 North Palm Canyon drive, now in the U. S. Navy and stationed at Long Beach, Wednesday ended a nine-day leave spent in Palm Springs and returned to his station.

During his absence to be in the service, Mrs. Avis Cox, his wife, has been managing the pharmacy.

### Golf Shorts — BY FOLLO-THRU

Some of the most enthusiastic golfers seen on the O'Donnell golf course this past week were Brig. General Ryan, Colonel, Fallows, Max McKee of Detroit and ex-governor Olsen of California, who made up a prominent foursome.

Also seen on the course were Mr. and Mrs. Florsheim of Chicago; Mr. and Mrs. B. H. Shearer, Mr. and Mrs. John Hamrick, Mr. and Mrs. Ben Paris, Mr. and Mrs. Al Heatherman and M. O. Anderson, all of Seattle; also Nat McDougal, Theodore Arenz, W. S. Dirker and George Braley of Portland, Oregon; J. E. "Dad" French of San Francisco; Clarence Meyers and Truman Bradley of Los Angeles; John Pike was playing in a four-some which included Major Fleet of San Diego and Karl Kompe of Palm Springs.

Fred Ingram, our popular banker, occasionally can get over to the links and show the boys how to play better golf without practice.

John Montague, the wizard of trick shots looked over our layout but John unfortunately did not have his spade, rake and baseball bat with him to show us how he gets the ball out of bunkers in one shot and his original method of putting.

### Second Half of Basketball Loop Now Under Way

The second half of the 21st Ferrying Group's Inter-Squadron Basketball Tournament got into full swing as Tuesday night's opening games brought together four teams.

In the first contest of a double-header, the Administration Squadron defeated the Bandics, 39-33, while the Operations Bombers trounced Torney Hospital, 33-31, in the second contest.

The second half of the round-robin schedule will feature the same eight teams that participated in the first round with games to be played every Tuesday and Thursday in the Palm Springs Army Air Field gym.

Last night's game brought together Aircraft Maintenance Squadron and Supply and Service in first game and the Operations Officers, first round winners, against the Civilians in the second tilt. Next Tuesday, the Aircraft Maintenance Squadron will meet Operations Officers and Administration Squadron will tangle with Torney.

It is hoped that this will be the start of another successful tournament.

## Available now . . . Bank of America VET-LOAN PLAN

Complete new loan service for World War II Veterans exclusively

Loans — low cost loans to veterans who want to own a home — are now available at Bank of America through Vet-loan Plan.

Farm and business loans through Vet-loan Plan also will be available as soon as official forms come from Washington.

Vet-loan Plan is the Bank of America's way to provide returning veterans all the money-borrowing rights of the Servicemen's Readjustment Act of 1944, as well as additional credit facilities of the Bank. Vet-loan Plan makes it possible for the veteran to get the right loan for his individual needs and to take fullest advantage of the "G.I. Bill of Rights" plus other Bank of America credit services.

Under this Act the government does

not give the money, nor lend it, but provides certain guarantees of loans made to qualified veterans. "G.I. Credit" requires approval by the Veterans Administration.

Bank of America cordially invites men and women in or just out of the service — or their relatives — to call at the nearest branch and discuss Vet-loan Plan. We consider it a privilege to serve them.

## Cathedral City

By W. R. HILLERY

"Hope springs eternal in the human heart" And we have the hope like his mother, Mrs. Mabel Bryant, that Leonard in some way did reach shore and survived the terrible typhoon that occurred west of the Philippines, last month, but the reports from the Navy Department leave us stunned.

It seems that a group of Third Fleet vessels were refueling at sea when a typhoon struck; and within the fifty hours, before survivors were picked up, the Hull, the Spence and the Monaghan went down and three other craft were damaged. The complement of men on the three destroyers was over 600 and the survivors numbered 62 from the Hull, 23 from the Spence and only 6 from the Monaghan. It was on this latter destroyer that Leonard was serving. Other men were lost overboard from other vessels. When the storm passed, a thorough search was made by surface ship and by air for survivors.

Leonard was a fine lad and everyone who knew him loved him. We sorrow with Mrs. Bryant in her tremendous loss.

On the heels of this sad news, I do not like to dwell too much on the pleasure we got in again greeting Sgt. Joe Todero, our Joe Todd, who came home lean and thin from 32 months of service in New Guinea. His 21 days leave will be all too short to spend with his family and friends. Joe sports a hard won sleeve and breast decorations with the modesty that comes from veteran service. We welcome you, Joe, and hope you have won the right to more pleasant service for the remainder of the war.

We are always glad to report when we hear from Mr. and Mrs. Frank V. Shannon. Writing from St. Petersburg Florida, they tell us they are about ready to move on after illness compelled them to halt in that terrible Florida. Frank sent us Ernie Pyle's "Brave Men" and asked that it be given to our little library where Librarian Marie Ide will list it among the many interesting books available to the public.

Navy Lt. Robert Price finally got away from his ship long enough to join his family of Mr. and Mrs. Willard Price and the lieutenant's wife and young son, Jonatha. We are asking for clearing skies so that what we are boastful about out here won't let us down.

Well, the Cactus Jumpers Jam-boree is back with us with such modifications as war time and rations will permit. Carl Higgins, who heads the committee, has se-

lected February 24 as the day. So mark that in your calendar.

Frank Burchfield, county assessor, with his deputies, Loren Kelsey Erick Waite and Lowell Wilson, were visitors here this week semi-socially, in a way, but really doing their annual check up in the general Palm Springs area preparatory to the annual assessment.

The Railroad Commission has notified our community that it has given the Tanner Motor company permission to operate a local bus to our village. Tried to get Mr. Isenagel on the phone before sending in these notes to get the ribbon cutting date but failed to connect.

We don't have many gossipers here, but now and then it gets to me that someone is trying to sabotage our community. One of the latest came from a new purchaser of property here who asked about our supply of water; and when I told the party that it was more than ample, I was told some one here had spread the fantastic story that the reason the Cathedral City Development company had withdrawn their few remaining lots from the market for the time being was that the Railroad Commission had required it because we did not have enough water to supply them.

It's only fair to say why I know we have enough for ten times our population. Last year, during a week while a new check valve was being placed on the main, we ran the pump manually—that is, by throwing the switch to start the motor and cutting it off afterward to stop pumping. We averaged fifty minutes a day pumping to serve our population for 24 hours. So drink your fill and figure out something else to worry about.

Next week we will list a few of the new owners of property. The Woman's club met in Town Hall with Mrs. Lucy Abels and Miss Lydia Engh as charming hostesses who had many surprises for their guests. It was guest day with many ladies of the town attending each responding with a current event clipping, and naming their native state.

Mrs. Pearce of Detroit, Michigan, led in the flag salute. Mrs. Judson Osburn of Palm Springs sang a group of songs, accompanied by Madam Williamson Osburn, of San Francisco F. W. Griffith of Puget Sound, gave a talk on Indian lore.

The hostesses served dainty refreshments.

Mrs. Agnes Gould and Grace Earley are hostesses for the next club meeting, featuring "Ye Olde Time Shop." Ladies are to bring exhibits of old articles of dress or furnishings and wear old fashioned dresses, if possible.

The date is February 2. Guests are welcome.

### Six Red Stamps, Five Blue Ones, To be Good Soon

Six more red stamps will be good on Sunday, January 28, for obtaining meats, fats, and five more blue stamps will become valid Thursday, February 1, for buying rationed canned goods, William A. Lippman, chairman of local war price and rationing board announced today.

Since the February rationing period will last five weeks, six red stamps are being allocated instead of the five usually issued for four week ration periods. The new red stamps will be Y5, Z5, A2, B2 C2 and D2. Each are good for 10 points—a total of 60 points for the five weeks.

New blue stamps will be H2, J2, K2, L2 and M2, a total of 50 points.

### Throngs Present At Card Party

More than 125 women gathered at the Woman's Clubhouse last Monday afternoon for the annual card party of the Palm Springs Woman's club with club officials, led by Mrs. William A. Lippman, president, and the committee for the day with Mrs. H. Bedford-Jones, chairman, as hostesses.

Roses predominated in the decorative scheme and thirty tables of bridge were busy all afternoon. The prize at the door, a beautiful blue bowl, went to Mrs. John F. Lapp.

The laws of nature are the rules according to which effects are produced; but there must be a lawgiver—a cause which operates according to these rules.

—Thomas Reid

## Difficulties Between WPB Rulings And City Building Code Composed; Work on New Homes Will Start Soon

Differences between WPB specifications and the city building code have been settled in all regards clearing the way for issuance of building permits for a block of 25 houses near Torney General Hospital and the army air base for use of workers at those two posts.

Fifteen of the new homes are in the Bel-Vista tract in a development opened by Culver Nichols.

The WPB has acceded to the city's building code in all matters but one—that of soil pipes. The WPB contends that because of material scarcity, three-inch pipes should be used. The city code holds out for four-inch pipe.

At Wednesday's council meeting, City Manager Ray Sorum said that this difference could be readily adjusted and council thereupon moved to end the tangle by leaving the matter in the hands of the city manager and City Attorney Roy W. Colegate.

Issuance of the first of the permits for the new homes which were designed by Architect Albert Frey is expected within a few days and work will start soon.

A crowd is not company, and faces are but a gallery of pictures.

—Francis Bacon

## Council to Hold Weekly Luncheon Meetings

City council will hold weekly luncheon meetings to discuss city affairs and be prepared to interpret and handle them in an efficient manner at weekly council meetings, it was decided Wednesday by councilmen.

Mayor E. E. Theriault brought up the matter declaring that many items came before the council at its regular meetings which required study and thought by all councilmen and that if discussion was confined to the stated meetings, they would soon become cumbersome and drag on until a late hour. This week's meeting lasted from 7:30 to 10:45 p. m.

It is the plan at these weekly

## AWOL Soldier in Jail for Study of 29 Palms Shooting

A 20-year-old soldier, who gave his name as Edward E. Emmery, was taken into custody, Saturday, by members of a San Bernardino county sheriff's posse and charged with suspicion of attempted murder in connection with the shooting of John Olson, 76-year-old miner, in his cabin at Pipes, a sparsely populated section of the Morongo Valley-Twenty-nine Palms area.

Olson succumbed at Torney, Wednesday night as result of the gunshot wounds and his body was removed to Wiefels and Sons mortuary in Banning where an inquest will be held Tuesday. As result of Olson's death, the charge of attempted murder will probably be changed to a more serious charge of murder, following the inquest.

The soldier is reported to have told officers that he deserted from Fort MacArthur where he had been returned after nine months duty in Burma. While hiding out in the Pipes section, he

moon meetings to discuss all problems coming up and to get all details on them before council meetings.

encountered the miner and asked for food and lodging. The soldier told officers that three days later, while he was examining a rifle in the Olson cabin, it went off and wounded the miner.

Emmery was found in an improvised tent near the scene of the shooting. He offered no resistance to officers. Tracking him down was impeded by snow and rain in the hilly region where the miner lived.

If I do not keep step with others, it is because I hear a different drummer. Let a man step to the music he hears however measured and however far away.

## Equestrian Stop Signs to be Put Up for Horsemen

Equestrian stop signs will be placed at two points on Palm Canyon drive to protect riders crossing the main thoroughfare on their way from stables to the canyon trails as result of action at city council Wednesday.

One will be at Ramon road and the other at Indian Gate.

The matter was brought up at Wednesday's council meeting by City Manager Ray Sorum who had received a letter that day from E. Q. Sullivan, district state highway engineer at San Bernardino, reported a request from the Desert Riders of Palm Springs for such protective signs.

### STUDY SITUATION

In his letter Mr. Sullivan said that the Riders had asked for four stops, one at Alejo, one at Ramon road, one at Ocatillo and the fourth at Indian Gate. He said his men had investigated and found that the crossing at Alejo, near the school, was a congested one, that the Ramon road crossing would be safe and that at Indian Gate. He said the turn at Ocatillo where automobiles began to pick up speed would be dangerous because of poor visibility.

The state highway department, which had jurisdiction on Palm Canyon drive, Mr. Sullivan said, would agree to the erection of the two signs at spots designated as safe provided the city council concurred.

### VOTE TO CONCUR

Following some discussion of trails and horse back riding on streets, the council voted to concur on the state highway division's findings and Mr. Sullivan was so notified.

The request from Palm Springs to the state highway board was signed by Eugene V. Griffes, trail boss for the Desert Riders, Elmo Purnell, president of the Los Compadres club, and Walter Kolfeldt, secretary of the Chamber of Commerce.

Mrs. L. D. Graham of Reno, Nevada, has returned to her winter home here at 226 West Alejo to spend the balance of the season.

## Aid of Everyone In Smashing Enemy Espionage Sought

The FBI would rather be told the same suspicious item one thousand times than risk miss hearing it once, William A. Murphy, Federal Bureau of Investigation official from San Diego, told members of Palm Springs Rotary club Wednesday noon at their meeting at the Desert Inn.

Mr. Murphy's talk was divided into three main phrases, German espionage, Japanese espionage and the security problem arising out of return of Japanese to the west coast.

### COOPERATION ASKED

He told of Nazi espionage in this country and the manner in which it was held in check and practically nullified. He told of the aid given the FBI by tips from citizens and then said that three more known Nazi agents were on their way to the United States. The FBI has descriptions of these men and pictures of two of them. These pictures are posted at postoffices and his listeners were asked to familiarize themselves with the features and descriptions of these men and to report all suspicious circumstances at once.

Japanese espionage is being carried on by the Nipponese themselves and the only case where a white person aided them was brought to a head by a tip from a citizen.

### SPEAKS OF SECURITY

On the question of returning Japanese he said the FBI had had 6,000 known dangerous Japanese interned but warned that subversive Japanese secret societies, under soothing names, were still in existence. He urged his listeners to be constantly on guard and to let the FBI know at once if anything appeared wrong.

Then it was that he said the FBI would rather hear the same tip 1000 times rather than miss a good lead because the person having it thought someone else had already turned it in.

### AID BOY SCOUTS

Last week Rotarians raised \$400 in ten minutes to help the Boy Scouts build an addition to their club house. Wednesday, Chief of Police Lyle J. Sanard, unable to be present, sent word that the fund for the addition was still \$100 short. In five minutes, \$150 in cash had been applied to the fund.

The meeting ran smoothly under the able guidance of President Dr. Henry S. Reid, who also introduced the speaker and the FBI man for this district, Harold Higgins.

Service men who are at home on leave are entitled to one gallon of gasoline a day and if somebody will provide a car to go with the fuel, everything will be satisfactory. — The Indianapolis News.

Fallow and change we need,  
nor constant toil  
Not always the same crop on  
the same soil  
—W. W. Story

The greatness of modern, as  
compared with medieval or ancient  
civilization is that it possesses  
a larger stock of demonstrated  
truth.  
—J. R. Seeley

It is thought, and thought  
alone, that divides right from  
wrong; it is thought, and thought  
only, that elevates or degrades  
human deeds and desires.  
—George Moore

Men will find that they can  
prepare with mutual aid far more  
easily what they need, and avoid  
far more easily the perils which  
beset them on all sides by united  
forces.  
—Spinoza

Every branch of knowledge  
which a good man possesses, he  
may apply to some good purpose.  
—C. Buchanan

If, instead of a gem or even a  
flower, we could cast the gift of  
a lovely thought into the heart of  
a friend that would be giving as  
the angels give.  
—George MacDonald

## Los Compadres To Ride Sunday

Members of Los Compadres club are planning a moonlight steak ride next Sunday night to Eagle Canyon near Cathedral City.

Secretary Jimmy Cooper urged all planning to attend to be prepared to leave the stables by 5:30 to be on hand in time for the dinner.

"Our desert has been freshly laundered and is perfect for riding. Come on out Sunday night and have some fun," he urged members.

## Seven-Foot Walk Recommended Opposite School

City Planning Commission was asked by city council Wednesday to consider plans for establishing a curb line seven feet from the property line on the west side of Palm Canyon drive between Alejo and Tacheva drive (opposite the Frances S. Stevens school) following report to city council that the state highway commission approved plans for sidewalks and curbs in the block but wanted a seven foot set-out from the property line instead of ten feet as recommended by the planners recently.

Plans for curbing and sidewalks on the westside of the drive opposite the school had recently been approved and sent to the state highway commission.

## Villager Hurt in Tinian Mishap

Homer Jenkins, former Palm Springs electrician, now with U. S. Navy at Tinian, is in the hospital, according to word here. It was in line of duty, all right, but it wasn't an enemy bullet that laid him low.

In a rush repair job to speed action against the Nips, the Villager ran afoul of a buzz saw and was injured.

He has been in the Navy for the past three years, formerly having an electrical shop here. His wife and son reside in the Village.

### Multiple Ballots

In the general elections of 1944, some states used four or five different paper ballots, and Vermont even used seven, all of which were supposed to be marked completely by each voter during the five minutes he was allowed to spend in the voting booth.

It is impossible to live pleasantly without living prudently, and honorably, and justly; or to live prudently, and honorably, and justly, without living pleasantly.

which has control over Palm Canyon drive, a state highway. The commission approved the plans in the main but insisted on a seven foot walk instead of a ten foot walk. Upon receipt of their communication, the matter was referred back to the planners.

## Starlets Pose in Life With Village For Background

Four pages of beautiful starlets, posed in the latest of sun clothing against a background of Palm Springs, are featured in this week's edition of Life magazine. The pictures are the first installment of a series of views taken here by Ralph Crane, Life photographer, a few weeks ago, with the aid of Walter Kofeldt of the Chamber of Commerce who arranged accommodations for the photographer, correspondent and models and found suitable locations for the backgrounds.

More pictures, in color, are expected to follow in March.

The starlets are posed at the Desert Inn, where they stayed, in Andreas canyon at the Harry Dart home, at the Palm Springs Tennis club and on the sand dunes near the city.

With Life's large circulation, the spread provides invaluable publicity. It was the first time Palm Springs has crashed Life magazine.

## County Red Cross Leaders Here to Assist New Group

Mrs. D'Eliscu, chairman, and Mary Ellen Pangle, manager, of the American Red Cross, Riverside County branch, are in Palm Springs to organize the Arts and Skills Corps whose program is eagerly anticipated by the many patients at Torney Hospital. They will also start the new classes for Staff Assistants and Motor Corps trainees. All women who can join these classes are urged to meet at Red Cross Headquarters, 107 N. Palm Canyon Drive Tuesday morning at 10 o'clock when Miss Pangle will give the first of a series of interesting lectures.

There is a great need for Staff assistants at Headquarters. This work includes typing, some filing, and training as receptionists. Three hours a week is the minimum time of service, and hours can be arranged to meet the convenience of all trainees.

Lectures to follow will be given on Thursday, February 1; Tuesday, February 6; Thursday, February 8. All lectures will be held at Headquarters at 10 a. m.

Man's primary allegiance is to his vision of truth, and he is under obligation to affirm it.

For Essential Transportation—U-Drive Cars. Phone 4444.

SCENERY—Here's an excellent example of Palm Springs scenery—Tahquitz Falls in the background and Mrs. C. L. Beck. The gentleman in the photo is Mr. Beck and the picture was taken by Major B. J. Nasief on a recent excursion into the canyon. The picture could be entitled a "Twenty Year Romance".

## Horseback Jaunt To Tahquitz Falls Anniversary Event

An excursion via horse-back into Tahquitz canyon proved a merry occasion for seven Villagers recently, the occasion being a sort of pre-celebration of twenty years of married life for Mr. and Mrs. C. L. Beck. Mr. Beck, with William Silberschmidt, is owner of the Rendezvous cafe.

Making the trip were Mr. and Mrs. Beck, Mr. and Mrs. Doc Gallman, Wesley Vaughn and John Whotney and Major B. J. Nasief.

Major Nasief, an amateur photographer before joining the Army Air Forces, took his camera along and posed Mr. and Mrs. Beck in a "Romance of Twenty Years" picture with the falls as a background.

Major Nasief is at present at Torney General Hospital, resting up after many months of strenuous campaigning in the Mediterranean area.

## Magazines Give Much Space to Story of Village

The printed word, aided by superb half-tones is carrying the fame of Palm Springs into new circles this month.

Walter Kofeldt, secretary of the Chamber of Commerce, has received copies of Keeler's Hotel and Restaurant Review and the latest edition of Insignia, the army and navy magazine, and both are replete with pictures and publicity for the Village.

The Hotel Review is the post-convention number and features on its front cover a picture of the recent gathering at the Desert Inn here and on the inside six pages, profusely illustrated, of comment on the Western Hotel Men's convention here.

Insignia carries many pages on Palm Springs with beautiful half-tones. A special two-page spread is devoted to Torney General Hospital and the army air base and the Village, itself, are also given much publicity.

The Hotel Review goes into the hands of men and women who play a big part in guiding tourists while Insignia is read by army and navy officers all over the world.

READ THE CLASSIFIED

## MUSEUM NOTES

By T. D. A. Cockerell

At the Museum, around the corner in the East Wing of the Library Building, Prof. Cockerell will continue his series of lectures on Insects. On Saturday evening, January 27, the subject is "Beetles" and on Wednesday evening, January 31, the subject is "Strange Ways of Insects". The curious ways of the Tsetse fly, the Doodle bug, the Water scorpion, and the Tarantula Hawk will be discussed. There will be interesting exhibits of these insects. There will be motion pictures.

## CARPENTER BEES

The large Carpenter Bees are so called because they work in wood, excavating burrows in which they store a mixture of pollen and nectar, which serves as food for the grubs which are to become the bees of the next generation. Sometimes these burrows are so numerous as to be destructive to buildings or telephone poles, but more commonly they are made in dead logs of various hardwood trees. During the past week Miss Kenton secured for the Museum some very fine specimens of the Carpenter Bee, found hibernating in the wood of a tree which had been cut down because it was infested with termites. These may be seen in the Museum, with a specimen of their work. There are three kinds of Carpenter Bees found in Palm Springs, but the one found by Miss Kenton is the largest and finest, and is peculiar for having the female's black, and the male's pale yellowish brown, so that the sexes look like entirely different insects. This has been called the Valley Carpenter Bee, its scientific name is Xylocopa varipuncta. Carpenter Bees are very numerous in the tropic all round the world. In Europe and North America they occur in the southern parts, but do not go far north as do the bumble bees. In Africa they are especially large and varied, often with bright colors.

## DILIGENT COLLECTOR

Mrs. Marie Barker is our most diligent and successful collector of wild flowers, and last week astonished us by bringing in such an assortment as we did not think could be found at this time of year. There was the Chuperosa, the White Ratany, California Buckwheat, Desert Lavender, Narrow-leaved Thornbush, Nightshade, Rose mallow, Clematis and small Gourd. These are on exhibition in the Museum.

Mrs. Barker also brought a good specimen of Ephedra or Joint-fir, a shrub with green slender branches, which the Indians used in making a sort of tea, which is reputed to be quite delicious.

The White Ratany is a source of reddish dyes which are used for coloring wool and skins, and Jaeger states that a Peruvian species of Ratany is used in coloring port wine. The Pima Indians of Arizona used the powdered roots of Ratany for the treatment of sores. Jaeger says: "Examination of the flower with a lens will reveal many beauties which are invisible to the unaided eye. The petals are smaller than the sepals and the two lower ones are reduced to short, rounded fleshy scales."

## January Building May Hit High Mark Indication Today

With differences between the WPB and city building ordinances practically composed, January may set a record in building permits issued it was believed today. With work on a housing project in the northeast end of the city expected to start soon, the permits will send the year's total zooming.

As it was the past week boosted the January and year's total by \$10,100 in six permits.

For the month to date, 19 permits have been issued with a total value of \$24,300.

Permits during the week were:

January 18—Clarence A. Brecklin, Section 14, addition, \$100.

Palm Springs Corporation, Walter Z. Allen, local manager, alterations at 174 North Palm Canyon drive, \$2,500.

Rollin Dunlap, Greyhound depot, 208 North Indian avenue, repairs, \$150.

G. S. Griffith, 1561 North Palm Canyon drive, addition, \$150.

January 23—Mont Withers, Athel street, addition, \$200.

January 24—Mr. and Mrs. Ben Hughes, 1068 East Tamarisk road, new 5-room dwelling, \$7,000.

## County to Share In Sums Sought For Road Repair

Riverside county will receive \$1,016,370 as its share of the \$30,000,000 melon for postwar construction of county roads and city streets it was reported in Sacramento Wednesday.

Thirty state senators are back of a bill which would take the money from state surplus funds which have been reserved for postwar works projects.

The money would be spent on roads other than those in the state highway system, but the department of public works would set standards and approve each county or city project.

The proposed allocations are based on rural population, mileage of rural roads, and the extent of each rural area, Hatfield stated.

A portion of the county's allotment will be available for work on Palm Springs streets.

Your sole contribution to the sum of things is yourself.

—Frank Crane

For Essential Transportation—Yellow Cabs. Phone 4444.

## Many Trails Now In Readiness for Equestrians Here

Eugene Griffes, Trail Boss for the Desert Riders, well known local equestrian organization, announced this week that the following trails have been worked on and are now in useable condition:

Eagle Canyon, Araby, Theleman, Wild Horse, Dripping Springs, Tahquitz Falls and Tahquitz Falls to Deep Well ranch, Skyline.

The Desert Riders, said Mr. Griffes, also wish to acknowledge receipt of a check for \$100 from the Los Compadres club to be used in maintenance of trails

## March of Dimes Permit Granted

Application of Margaret Anderson of the Palm Springs Roller Rink on the Field Club grounds for a permit to conduct a benefit dance there January 30 was approved by city council Wednesday.

As the dance is to be staged to aid the March of Dimes drive here, the usual fee was waived.

The task and triumph of Christianity is to make men and nations true and just and upright in all their dealings, and to bring all law, as well as all conduct, into subjection and conformity to the law of God.

—H. J. Van Dyke

and they wish to thank the McDonald stables for furnishing horses for work on the trails.

CERTIFICATE OF PARTNERSHIP  
DOING BUSINESS UNDER A  
FICTITIOUS NAME  
Civil Code Sec. 2466-68

State of California, }  
County of Riverside, } ss

We hereby certify that we are partners transacting business at Palm Springs, County of Riverside, State of California, as co-partners under a fictitious name, to-wit: ALM SPRINGS BROADCASTING COMPANY. We further certify that we are the sole owners and proprietors of said business. Our names in full and place of residence are as follows: DONALD C. McBAIN, 3367 Rowena Ave., Los Angeles 27, Calif. RICHARD W. JOY, 1425 Campbell St., Glendale 7, Calif. IN WITNESS WHEREOF we have hereunto set our hands this 8th day of November, 1944.

DONALD C. McBAIN  
RICHARD W. JOY

State of California, } ss  
County of Riverside, }

On the 8th day of November in the year one thousand nine hundred and forty four before me personally appeared Donald C. McBain and Richard W. Joy, known to me to be the persons whose names subscribed to the foregoing instrument and they acknowledged to me that they executed the same.

WITNESS my hand and the seal of my office this 8th day of November, 1944.  
(SEAL)  
G. A. PEQUEGNAT,  
County Clerk and Ex-Officio  
Clerk of the Superior Court  
in and for Riverside County,  
State of California.  
By H. W. KAUFFMAN, Deputy  
s25-26

In eastern lands they talk in flowers, and tell in a garland their loves and cares.

## Portrait of the Week

By BERNARD  
of Hollywood

Audrey MacFarlane, the charming entry in the Portrait of the Season contest staged jointly by Bernard of Hollywood, the Palm Springs and Plaza theaters and the Desert Sun, recalls the carefree Hawaiian days of the pre-Pearl Harbor days and at the same time, the new realistic war-time attitude of all responsible leaders of that ever popular American outpost.

Born in Minnesota, with her childhood spent in Maryland and California, she made Honolulu her home after marriage to Walter MacFarlane whose untimely death occurred two years ago while they were in Mexico.

As soon as war broke out she became actively engaged in the Honolulu USO theater group and did Red Cross work throughout the Islands, also later on the mainland, after training with Red Cross in Washington. Her last station was the Army Air Corps Redistribution Center in Santa Monica where she did rehabilitation and recreation work with the army returnees.

Mrs. McFarlane has always studied art, practicing various types of painting. The artistic streak in her has taken a more concrete form now since she has been studying photography with the originator of this series.

## Veterans of Overseas Fighting Talk To Palm Springs Lions in Intensely Interesting and Entertaining Session

One of the most interesting and entertaining, and at the same time thought-provoking meetings held by the Palm Springs Lions club in many weeks was that yesterday at the Desert Inn at which time a navy man and three army flyers told of their experiences over-seas.

Chief Warrant Officer Henry Mueda, back after 37 months of active duty on both fronts, a guest at the meeting, was asked to say a few words and emphasized in his talk the work the folks at home could do for the boys just coming back from combat and for the boys still over there.

"The boys coming home are jittery and nervous. They need sympathy—not coddling—but understanding. And for the boys overseas, they need encouraging letters from home. I've seen boys overseas almost go to pieces in the stress of battle because of gripping letters from home."

CWO Mueda said the boys need letters from home, lots of them, but they must be cheerful letters or their effect is grave.

### VETERANS HEARD

The scheduled program arranged by Dr. E. E. Oertel, featured three army flyers with an aggregate of more than 100 missions and hundreds of hours of combat flying to their credit.

Capt. Joseph W. Caraway of the 21st Ferrying Group, acted as moderator in a forum in which Capt. Earl Riley, 1st Lt. R. E. Davis and 1st Lt. D. R. Dawson, spoke of their experiences in combat. All have the Distinguished Flying Cross and many additional medals.

### EUROPEAN FIGHTING

Capt. Riley, veteran of the air fighting in Europe, was the first speaker. He was there at the start of the flying and saw much action. He described his most thrilling flight as his last one because he knew he was coming home after that.

Lt. Davis, navigator-bombardier, told of the fighting in the Pacific. Among the first there, he said that the crews saw plenty of continuous action.

### IN BAD SHAPE

He told his hearers that the Japanese were in serious shape on some of the islands by-passed by the Americans with food getting low and no way for supplies to reach them.

Lt. Dawson told in an entertaining way of fighting the Japs. He flew as a bomber pilot and a fighter and has three Zeros to his credit.

Asked by Capt. Caraway

## Vote Purge Cuts County Rolls by 13.7 Per Cent

Only 6969 notices of cancellation of registration were sent to Riverside county citizens because of failure to vote in the elections of last November, it was announced Wednesday by County Clerk G. A. Pequegnat.

No indication of the purge by cities and the number in Palm Springs was available to date.

This means a drop in registration to 43,756 from the pre-election figure of 50,725, according to J. C. Roberts, chief deputy county clerk in charge of the election department, or a purge of 13.7 per cent, one of the lightest on record.

Previous to the elections of November, 1942, Riverside county's registration stood at 48,632 and in the after-election purge the total dropped to 32,066, a loss of 34.06 per cent, official statistics reveal. In that purge the names of 16,566 voters were removed from the county's registration lists.

The figures for the 1945 purge are unofficial and not final, it was pointed out, since the registrations of approximately 3000 servicemen and women remain to be tabulated.

### City Manager Will Attend L. A. Session

City council Wednesday night authorized Ray M. Sorum, city manager, to attend a meeting of California city managers in Los Angeles Feb. 22 and 23.

A resolution to send Mr. Sorum to the two-day session and voting expense money was adopted.

At Learning's fountain it is sweet to drink,  
But 'tis a nobler privilege to think.

—John Godfrey Saxe

whether he was ever in real difficulty, he thought a while and then drawled:

"Well, I was shot down once." It took him three days to get back and then after a medical check over, he took off on new missions.

Dr. I. W. Lynn was chairman of the day.  
President Charles J. Burket presided.

## Greyhound Busses To Load, Unload in Lot Off of Street

Greyhound busses will be taken off Indian avenue while loading and unloading and while laying over here between trips, city council was informed Wednesday night when the matter of the big busses parking on the narrow street before the Greyhound depot at 208 North Indian avenue was brought up.

R. R. Dunlap was recently granted a permit to build a depot on lots north of the Indian store and in the meantime, given a temporary permit for a depot in the store. Unexpected complications halted building plans and the depot was moved two doors north, adjacent to the lot this week.

William Veith, Indian agent said that Dunlap had signed Wednesday for a permit to utilize the lot for loading and unloading and parking of waiting busses. This will remove them from the street where, council was told, a traffic hazard existed because of the congestion.

### Sabatella Seeks Zone Law Change

Request of Frank Sabatella of the Amado cafe, 175 East Amado road, for a change in the zoning ordinance to permit construction on the rear 10 feet of his property, was referred to the planning commission by city council Wednesday.

The request brought up discussion of set-back procedure and state building laws which council put up to the planners.

Man cannot be satisfied with mere success. He is concerned with the terms upon which success comes to him.
